

Cowboy Music For Kids Program Comments

The songs were great and we really appreciate the life lessons teaching! There was great interaction between the children and entertainer. Great Show!!

~ Dumas Branch Library, Arkansas

The children really liked the interaction and dancing! The parents were very pleased with the content of the program. Thank you for coming to see us!

~ Shell Knob Library, Missouri

Great original content, good stage presence, ability to adapt for different audiences. Awesome job!

~ Central Library Fort Worth, Texas – Distance Learning Program

The props were great; so was the message brought to the children from a different cowboy perspective. I received compliments from parents.

~ Texarkana Public Library, Arkansas

This was a fabulous program. The professional quality was unsurpassed by anything we have seen. Marshall's genuine talent and love for children made for the perfect program.

~ William Alexander Percy Memorial Library, Greenville, Mississippi

It's always nice when the entertainer includes the audience and you did this with many of your songs.

~ Siloam Springs Public Library, Arkansas

You did great in your storytelling, singing and presentation. Loved how you connected all the dots. Kids and parents demand you back.

~ Ponca City Library, Oklahoma

We loved that the character traits are built in to your program. The kids seemed to really enjoy the music and participate.

~ First United Methodist Church Summer Adventure Camp, Conway, Arkansas

Your songs were fun & creative, entertaining yet educational. Keep doing what you're doing!

~ Stone County Blue Eye Library, Missouri

It was great. The music and the dialogue was on the kids' level and family friendly.

~ Blytheville Public Library, Arkansas

Everything you taught was great! I enjoyed the show as much as the kids. You did an amazing job!

~ Forrest City Public Library, Arkansas

Audience participation was great. The kids really seemed to enjoy the whole show.
