The Daytona Flea Market opened to the public in the spring of 1981. Long before superstores and the internet came to be, the market was a veritable hub of products from around the country and around the world. Take a look at our beginnings!

MARKET FEATURES:

The Daytona Flea Market is one of Florida's largest flea markets. The Market spreads over forty big acres and houses hundreds of vendors selling thousands of different items. It is the area's largest tourist attraction and has bargains galore - a wonderful place to do your souvenir shopping and buy fresh citrus to take home with you.

"Rain or Shine," we have you covered, so come out and browse under our cool covered bargain areas with paved floors for easy walking. When you visit, be sure to try our "World Famous Funnel Cakes" and other tasty treats provided throughout the Market.

Handicapped parking and clean restroom facilities are also provided.

Have fun on the World's Most Famous Beach - Now visit Florida's Best Flea Market for more fun.

4 Classy Gifts

Meet Juan and Rebecca Flores at 4 Classy Gifts on South St. Rebecca started selling at the flea market in 2001 as an alternative to full time work so she could stay home more with her young children. 7 years later, business was booming and husband Juan left the workforce and brought his sales experience to the business. After many expansions and a variety of trending products over the years, 4 Classy Gifts is your shop for friendly sales and service. Their specialties include SeneGence long-lasting makeup, .925 sterling jewelry, rings, chains, earrings and bracelets including popular paperclip chain styles and cubic zirconia. You'll also find a large selection of watch bands compatible with Fitbit®, Apple® and Samsung® devices as well as a huge selection of Jibbetz® style charms for Croc® shoes and tote bags. Juan has the charms carefully grouped by category and interest, so finding what you want is

fun and easy. The Flores' are very familiar with their customers and take pride in having repeat business from visitors and even forging long-lasting friendships with many. Juan says 'stop by for an endorphin booster' as he is inclined to entertain and engage his customers with dad jokes, puns and his cheerful disposition. Rebecca actively posts new product offerings to social media. Look for them as 4classygifts on Facebook and Instagram and at www.4classygifts.com on the web. They even take Facetime appointments for online shopping. They invite you to stop by in person on South St at booths G235 through G239 and G235c through G239c. Phone inquiries are always welcome at 321.302.8356.
