David vanquished Goliath, by striking him in the middle of the forehead with a little pebble from his sling. Consider the little stones from the sling that overcame the enemy as being like the Hail Mary beads of the Rosary. The ways of God are entirely different from our ways. To us it seems necessary to employ powerful means in order to produce great effects. But, this is not God's method. God likes to choose humble little instruments so that He may confound the proud and mighty of the world. “</p> <p>-Dom Columba Marmion</p>
