From the President's Desk:

This month, there will only be an electronic version of the newsletter. These are indeed trying times.

York IWLA 67 supports our elected leaders and their guidance. The club will follow the guidelines of the CDC, local, State and the Federal government. Therefore, all group activities (meetings, matches, picnics etc) are cancelled until the CDC gives the all clear to resume normal operations.

The club grounds will remain open to member use, as long as CDC guidelines of social distancing and sanitation are followed.

Please be a part of the solution and not a part of the problem. This too shall pass.

In the end, I believe we as a country and a people will be stronger for it.

Stay safe my friends.

In response to Covid-19, IWLA York Chapter 67 is not accepting applications for membership until further notice. While we appreciate the disappointment some have expressed, we simply cannot jeopardize anyone's health with unnecessary exposure. We appreciate your understanding, and will see all prospective members as soon as circumstances allow.

MEMBERSHIP COMMITTEE

Hello from Membership! All membership cards have been mailed unless you just renewed within the last two weeks. If you have not received your card, please email, text, or call Lisa at 717-818-2764 or membership@yorkiwa.org. Any member who just joined in October, November, or December, please check your membership cards and verify that they are valid for the 2020 year. If they are not, please let me know. I also have second notices ready to mail, so if you misplaced your renewal notice, this is your last chance to renew for 2020. If you receive a notice and you have already paid for the year, please contact me as well.

I also want to make everyone aware that while we cannot renew our memberships online, there are several things you can do to help me out. If you go to the National website, www.iwla.org, there is a tab titled Member Center. When you click on it, there are links where you can update your address, your phone number or add your email. The York Chapter does not currently share your email address with Nationals, so if that is something you are interested in, please update the information with them. Please also drop Gary or I a note on email changes, because we do use them at the Chapter level. You can also request a replacement card if you lost yours and request a copy of a magazine if yours did not arrive.

And one last note, please contact me if you know a member who has passed so we are able to keep our membership correct. We do honor those members who have passed at our May open meetings each year. I would hate to miss honoring those members who helped build our Chapter. Please stay safe everyone, and I hope to see you later this Spring!

— Lisa

JUNIORS

Hi Juniors!

Our busy month turned into something no one ever expected. Juniors had a lot of activities planned that are now not to be. Thanks, *Sarah Chenowith*

ARCHERY COMMITTEE

2 New Archery Bales were installed on the Archery Practice Range, behind the barn. Installed by your Archery Committee, with help of adjunct members, Bill Gross & Don Robertson. A Special thanks to Greg Ziegler, our Pond Guy, for helping bring the bales from Hershey !! Remember, BE SAFE OUT THERE !!

TROUT COMMITTEE

The trout stocking schedule is toast. We are caring for the fish, and will get them in the water as best we can under the circumstances. We are operating in accordance with CDC recommendations, and therefore stockings will not be publicized, nor will they involve the public or club members at large. Very small, select, low risk, groups will be putting the fish out at irregular intervals. This is going to be a challenge, and I have every confidence in our success, the group of folks working this problem is exemplary!

The Kids Fishing Derby on May 9th has been postponed. Please watch the club Facebook page for up to date announcements. — Gary

As always, if you are interested in getting involved, in any way, please reach out to me. Want to help? No experience necessary, any age can help! For questions call Gary 717-968-2544 president@yorkiwa.org

PLEASE, PLEASE, PLEASE DO NOT FEED OUR FISHIES!

If you have leftover bait please dispose of it properly and not in the raceway. Our trout are fed a special diet and cannot tolerate things like bread, corn and powerbait. The day after opening day, we lost 2 dozen fish, whose stomachs had powerbait in them. By far the worst loss for this batch of fish. Also, please refrain from fishing from and congregating on the bridge, so folks can cross with proper distancing. We greatly appreciate it.

CLUB NEWS

2020 CLUB ELECTION - The annual election of officers and board members has been postponed until the July membership meeting. All officer and 4 director positions are up for grabs, so now is the time to help shape the future of the club. Nominations can be turned in to any board member before the membership meeting on June 16th, when nominations will close. Please consider serving, it's more fun than you think, it has to be.

ORIENTATIONS - Orientations, where we tour the grounds and discuss rules and features of the club are mandatory for prospective members, and interesting for existing members. The next two Sundays (tentative), Saturday, June 6th. All of these are at 2:00 pm. Everyone is welcome to attend. We meet in the upper floor of the clubhouse. Prospective new members should be reminded that our dues are by the calendar year now, so this is the best time of year to join.

CLEAN UP DAY - Thanks to all those who came out on March 8 to help clean up the grounds.

DIRECTORS NEWS

The Board has approved a minor change to our constitution, clarifying our mission statement in support of our 501(c)(3) non-profit status. We would like to add Provisions E and F to the Constitution, Article II, objects as follows:

E. Further: IWLA York Chapter No. 67 is organized exclusively for charitable, educational, and scientific purposes under section 501(c)(3) of the Internal Revenue Code, or corresponding section of any future federal tax code.

F. Further: Upon the dissolution of IWLA York Chapter No. 67, assets shall be distributed for one or more exempt purposes within the meaning of section 501(c)(3) of the Internal Revenue Code, or corresponding section of any future federal tax code, or shall be distributed to a state or local government, for a public purpose."

This must be approved by a 2/3 vote of the voting members present at the July election.

SHOOTING SPORTS

ALL SHOOTING SPORT EVENTS & TRAP ARE POSTPONED TILL AT LEAST MAY DUE TO COVID-19.

Check the blogspot for updates. If you are new to our club, you can find out more about our great Shooting sports below...Check out our website for more info and how you can participate. You can learn more about our activities by going to

www.yorkpistol.blogspot.com.

FUNSHOOT

Our FunShoots have morphed into a falling steel type shoot.

They are designed for almost any shooter, from the novice to the experienced multigunner. Primary guns are pistols and pistol caliber carbines. Yes, .22's are allowed! This is a casual, freeform shoot requiring little movement, timers or scoring. Our primary mission is to provide a venue to introduce yourself, your friends and kids to shooting. We are very family friendly! We shoot every 4th Sunday of the Month.

3-GUN

Three gun action matches are exciting and fast-paced, and require competitors to be extremely familiar with rules and procedures before participating in matches. If you've never seen a real 3 gun match we invite you to come see one (bring eye and ear protection) and introduce yourself. We'll be happy to answer questions and get you pointed in the right direction. We follow the Midatlantic 3 gun rules.

Pre-registration is mandatory for all York 3-Gun action matches. Sign-up for the 3-Gun at York is announced on the blogspot about 5 days before each match and is required.

USPSA

USPSA is a fast-paced, action-packed sport based on accuracy, power and speed. Shooters compete in one of eight divisions using either a pistol, revolver or pistol caliber carbine (PCC). Beginners are welcome, but you must be able to safely draw a handgun, perform reloads and navigate our courses of fire. If you have never shot an action shooting match (USPSA, IDPA, 3-gun, etc.) before you will be required to attend a pre-match safety briefing prior to your first match. USPSA has an extensive set of safety rules; we highly recommend reviewing them before your first match. Registration for each match will be via Practiscore at https://practiscore.com/clubs/york_uspsa and will open a week before the match.

FALLING STEEL

Falling Steel matches are very similar to fun shoots with two key differences. These are timed, and no rimfires are allowed. There may be between 4 and 6 stages each comprised of 25-35 pieces of steel anywhere from 10 to 25 yards away. We allow shooters to use one centerfire firearm, and it may be a pistol or pistol caliber carbine, and occasionally we allow shotguns. You may shoot as many rounds as required. No experience is necessary, but pre-registration is required.

[FIND OUT MORE](#)

22 RIMFIRE

22 Rimfire precision matches are meant to mimic their big brother, the Centerfire Long Range Precision match. The RPM consists of 6-8 stages and usually 60-100 rounds required to shoot the match. We incorporate different shooting positions and props in order to make a challenging course of fire that requires efficiently getting into position and engaging targets anywhere from 5-200 yards within 30-90 seconds depending on the stage requirements.

[FIND OUT MORE](#)

EGG SHOTS

Egg Shoots are a 22lr only shooting sport that is not terribly complicated, but still challenging. The targets are typically 40 steel targets shaped like eggs and the size of an actual chicken egg. We shoot them in banks of 10 eggs at 10, 15, 20 and 25 yards with rifles, and/or 7,9,11, and 13 yards with pistols. There is no real time limit, but they are shot standing with no support, and you may only use one round per egg. No experience is necessary, but pre-registration is required.

RIFLE

We offer a 100 yard and a 200 yard Rifle Range as well as one 50 yard pit and a short range pistol area.
