

Hi!

I'm Amy, a manager at Jump! South. I'm so excited and honored to be here and have the chance to inspire and nurture the little Jump!ers, while showing our parents and staff that customer

service is my passion. My adventures in gymnastics started at age 6. I was ecstatic when I obtained my first coaching job at a competitive gym in California. I fell in love with coaching and making an impact on the lives of my community's youth. I coached for the next 2 years before resigning to move and pursue other opportunities in the rainy city of Seattle. I had a wonderful year there before changing course yet again to beautiful sunny Austin. I have truly found my home is this wonderful city. I can't wait to get to know every family that calls Jump! their gym. Come on by and say hello.
