HOTSHOT:

→ Each contestant will be allowed two rounds, one-minute each round, to make as many baskets as possible from any of the 5 designated spots. The competition will start under the basket in a lay-up spot.

→ Each basket is worth 1 to 5 points depending on the spot from which it is taken:

- → Men: Lay-up (1 point); 15' shots (3 points); 18' shots (4 points); 20' shots (5 points)
- → Women: Lay-up (1 point); 12' shots (3 points); 15' shots (4 points); 17' shots (5 points)

→ A bonus of 15 points will be awarded if a shooter attempts a shot from each one of the designated spots during a round. This bonus is awarded only once per one-minute round.

→ Consecutive shots are not allowed from the lay-up spot. Once a lay-up shot is made, the shooter must move to an area of a different point value and attempt a shot before trying for another lay-up. If a player fails to move to a different spot after a successful lay-up, all successive lay-ups attempted and made will not count until the player moves to and attempts from another point value/area.

→ Consecutive shots are allowed from any spot except the lay-up spot.

→ The best single round score will determine the final score.

→ Contestants must rebound their own shots.

→ In the case of a tie, multiple medals will be awarded.

FREE THROW AND 3-POINT SHOOT:

(Five spots will be marked and the shooter will shoot from all five of the marked spots in order, A to F. The 6th shot may be taken from any one of the five spots). A total of 18 points is possible.

→ Points for Free Throws and 3-Point Shots will be added for a final, combined score. A combined total of 43 points is possible.

→ Contestants may use rebounders.
