## 2023 Young Woman Brianna Johnson

I was born in Cooma in 1998, I have an older brother who is three years older than me and our parents are Mark and Sharon Johnson. Mum was born in Cooma and her parents are Bruce and Pat Tozer who have lived on the Monaro their whole lives and still to this day live and run a sheep and cattle property named Coonerang which has been in our family for 3 generations. Coonerang is situated halfway between Cooma and Nimmitabel on The Peak Road. The property is roughly 8,000 acres and is home to not only my grandparents Bruce and Pat but also to my great aunt Bev Haylock, Uncle and Aunty, Matt and Jan Hassall and cousins Harley and Cooper. Also, my other aunty Jo Tozer and cousins Charlee and Ian live nearby at The Peak which is ran by Coonerang too.

It was during these family holidays back at Coonerang where my passion for horses began. This resulted in my interest for showjumping which I am still involved in and love. I've competed all over NSW since 2014 where I attended many competitions at a state level with success.

In 2000, my dad who spent 10 years on the Monaro in the police force received a promotion to become sergeant on the Central Coast in which myself, my mum and brother moved to the Wyong area on the Central Coast. I went to Kanwal primary school and then a few years later moved to Lakes Grammar an Anglican School in which I started Year 4 there and went on to complete my schooling there in 2016.

My parents bought a 35 acre property in the Lake Macquarie area in 2012 which was nice to have some space again. Throughout my schooling years, every holiday we would all jump in the car and make the 6 hour car trip down to Cooma to spend it out on the family farm helping out with various jobs that needed doing.

After finishing school, I worked at our local post office and then moved onto another retail job within the Hunter Valley while still living at home. In 2018, I decided to attend The University of Newcastle to study a Bachelor of Nursing with the intention to transfer over into Paramedicine, after completing the first year of the degree I decided I needed a change.

In December of 2019, I ended up moving back to Cooma where I have lived ever since. I started work at The Alpine Hotel which quickly helped me get to know the locals. I then decided I needed to get a second job so I started work at Hooks Pharmacy and then after almost 2 years there I recently made the change at the beginning of this year to start at Monaro High School as a School Learning Support Officer. After almost 4 years since studying, I have decided to apply to study a course at The University of Canberra in which I hope to study a Bachelor of Medical Imagery beginning in February in 2023.

My family have had a heavy involvement in the Nimmitabel community for many years, where my Nan spent many years dating back to early 2000's on the Nimmitabel show committee helping out with stewarding and anything else that was needed from her. I really hope that the Young Woman allows me to be involved with the local community and I can give back to the township of Nimmitabel and beyond.

 225g caster sugar                3 Tbsp cocoa powder, sifted  
 225g SR flour, sifted            zest 1 large orange  
 4 large eggs                        1 Tbsp orange juice
