

Singing at the Top of My Lungs 2020 Music Therapy Grant Guidelines

- Applicants must be certified music therapists or affiliated with a certified program.
- Grants may be requested in any amount between \$500 and \$2,500.
- Grants may be used for the purchase of program supplies, technology, and/or equipment acquisition. Grant funds may not be used toward salaries.
- In the narrative of the application, applicants must document the scope of the program and how it will directly benefit hospitalized children.
- Creativity and innovation are encouraged and are part of the grant review process.
- Grant recipients agree to allow *Singing at the Top of My Lungs* Foundation to share the impact of their grant with the *Singing at the Top of My Lungs* community via photo, print, video, podcast interviews, on the web and on social media, in order to engage donors and illustrate the impact of donor financial support.
- Grant recipients agree to provide documentation for how funding was used including receipts and a summary of results (number of children impacted, number of instruments purchased, etc.)

The grant application outline can be accessed at singingatthetopofmylungs.com

All applications are due by midnight Eastern Standard Time on October 31, 2020 and must be submitted to juliarae@singingatthetopofmylungs.com.

Grant awards will be announced in December 2020.
