June 2017

Summer readiness

Attracting walk-on golfers and drawing new members got a big boost from the course clean-up led by Mike Smith using his construction company's equipment, a hydraulic lift trailer and the course's tractor. Kenny Anderson, Mick Leonard and Jarrod Miller cut, dug, mowed, hauled and trimmed, resulting in a significant improvement to the club's appeal.

- Golfers want and expect to have access to an available Snack Bar. Staffing Thursday through Sunday will be handled by Abby Bryan and Sheri Thompson beginning June 1. The clubhouse assessment fee helps cover part of the expense. Your purchases can help the Snack Bar reach breakeven. Most years it operates at a loss.
- Volunteers are needed to staff the Snack Bar Monday through Wednesday. Contact Jarrod Miller at 620-331-9233 if you are willing to work one day a week, once a month or on specific days.
- Laying zoysia sod on the greens' collars will be carried out the week of June 5 after the Member-Guest Tournament. Check the Club's Facebook site for updates.
- Rental carts have been refreshed for the summer golf season thanks to Jake Shaffer assisting Jarrod Miller.
