MISSION STATEMENT:

The Mission of St. Patrick School is to prepare its students academically and socially for lives of service and leadership rooted in the Gospel of Jesus and the Catholic virtues of faith, hope and love.

STATEMENT OF PHILOSOPHY:

St. Patrick School is a state recognized non-public school. It is an important part of the catechetical mission of Ss. James and Patrick Parish. As such, it is an environment where the four-fold purpose of Catholic education - message, community, worship and service - can be realized.

The integration of religious truths and values with the rest of life is achieved first of all in the lived experience of the family. The teachers see themselves as co-workers and co-witnesses with parents in the important ministry of Catholic education.

Each child is a unique person, called to happiness with God now and in eternity and gifted with developing talents. These talents – religious, intellectual, moral, physical, emotional and social – will be developed to their greatest potential in a positive learning environment where love and trust call forth in each child an understanding of his/her own dignity as a baptized Catholic.

The teachers strive to provide a well-balanced program, maintaining a priority of objectives and a scale of values consistent with the ministry entrusted to them by the Church. Their integrated approach to learning and living their own lives shall exemplify authentic Catholic living. Through instructional and creative activities, the student experiences integration of faith and service within the context of the classroom and school community.

Working together, parents, teachers, students, and the members of Ss. James and Patrick Parish make St. Patrick School a Catholic community of faith, enriching the Church and the world.

STATEMENT OF OBJECTIVES

PARISH SUPPORT

- St. Patrick School exists primarily for the religious education of the young people of Ss. James and Patrick Parish. All parent(s)/guardian(s) who are parishioners of Ss. James & Patrick Parish are expected to attend weekend Mass regularly with their children.
- The parish is the primary source of funding for St. Patrick School. Parents who are members of the parish are expected to make weekly church contributions as part of their stewardship of Ss. James and Patrick Parish. The ability of St. Patrick School to continue offering quality educational opportunities for children depends on parent(s)/guardian(s) financially supporting the church and the school to the best of their ability.
- St. Patrick School students are expected to contribute to Ss. James and Patrick Parish. We encourage all parents to discuss the importance of stewardship with their child(ren) and to help them make a commitment to support the parish.
- Catholic Education begins with Sunday Mass.

PRAYERS

Apostles' Creed

I believe in God, the Father almighty,
Creator of heaven and earth,
and in Jesus Christ, his only Son, our Lord,
who was conceived by the Holy Spirit,
born of the Virgin Mary,
suffered under Pontius Pilate,
was crucified, died and was buried;
he descended into hell;
the third day he rose again from the dead;
he ascended into heaven,
and is seated at the right hand
of God the Father almighty;
from there He will come
to judge the living and the dead.
I believe in the Holy Spirit,
the holy catholic Church,
the communion of saints,
the forgiveness of sins,
the resurrection of the body,
and life everlasting. Amen.

Our Father

Our Father, who art in heaven,
hallowed be thy name;
thy kingdom come,
thy will be done on earth as it is in heaven.
Give us this day our daily bread,
and forgive us our trespasses,
as we forgive those
who trespass against us;
and lead us not into temptation,
but deliver us from evil. Amen.

Hail Mary

Hail Mary, full of grace, the Lord is with thee.
Blessed art thou among women,
and blessed is the fruit of thy womb, Jesus.
Holy Mary, Mother of God,
pray for us sinners,
now and at the hour of our death. Amen.

Glory Be

Glory be to the Father,
and to the Son,
and to the Holy Spirit,
as it was in the beginning, is now,
and ever shall be, world without end. Amen.

Peace Prayer

Lord, make me an instrument of your peace.
Where there is hatred, let me sow love
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
and where there is sadness, joy.

O Divine Master,
grant that I may not so much
seek to be consoled as to console;
to be understood as to understand;
to be loved as to love.
For it is in giving that we receive;
it is in pardoning that we are pardoned;
and it is in dying that we are born to eternal life.
Amen.

The Jesus Prayer

Lord, Jesus Christ, Son of God,
have mercy on me, a sinner. Amen.

Act of Contrition

My God,
I am sorry for my sins with all my heart.
In choosing to do wrong and failing to do good,
I have sinned against you whom I should love
above all things.
I firmly intend, with your help, to do penance, to sin
no more, and to avoid whatever leads me to sin.
Our Savior Jesus Christ suffered and died for us.
In his name, my God, have mercy.
Amen.

Morning Offering

O Jesus, through the Immaculate Heart of Mary,
I offer you my prayers, works, joys, and sufferings
of this day
for all the intentions of your Sacred Heart,
in union with the Holy Sacrifice of the Mass
throughout the world,
for the salvation of souls, the reparations of sins,
the reunion of all Christians,
and in particular for the intentions of the Holy
Father this month.
Amen

From the Breastplate of St. Patrick

Christ with me, Christ before me,
Christ behind me, Christ in me,
Christ beneath me, Christ above me,
Christ on my right, Christ on my left,
Christ in breadth, Christ in length,
Christ in height,
Christ in the heart of everyone who thinks of me,
Christ in the mouth of everyone who speaks of
me,
Christ in every eye that sees me,
Christ in every ear that hears me.

ST. PATRICK SCHOOL STUDENT/PARENT HANDBOOK

St. Patrick School is state-recognized and is governed by the policy of the Springfield Diocesan Handbook of Catholic Educational Policies. The school handbook and calendar have been designed to uphold those policies.

The St. Patrick School Handbook and Calendar is provided to all parents and guardians of St. Patrick School students. It is intended that parents and guardians share with the school the responsibility of helping the students understand the school's philosophy. It is expected that this handbook will be discussed by the parent(s)/guardian(s) with their child(ren).

The pastor and /or principal retain the right to amend this handbook for just cause, and parents will be given prompt notification if changes are made.

Great effort has been taken to make this handbook as inclusive as possible and to keep all rules clear and practical. If there is a need for an explanation of anything in this handbook, please call the school office at 423-4351.

ADMISSION AND REGISTRATION

Non Discriminatory Policy

St. Patrick School admits students of any sex, race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of sex, race, color, national and ethnic origin in the administration of its educational policies, admission policies, scholarships and loan programs and athletic and school-administered programs. It does not discriminate against immigrant children lacking in legal status.

Catholic Identity

St. Patrick School has a responsibility and obligation to meet the school needs of its Catholic parishioners. Therefore, St. Patrick School will continue to monitor its enrollment in order to perpetuate itself as a Catholic school. Parishioners and other Catholic families will have a preference for available space during spring registration. In the event that the recommended class size is not reached at registration, space will be made available to non-Catholic students.

Students With Learning Disabilities

Students with learning disabilities receive services provided by Decatur Public School #61 Special Education, Title I and Title II.

Admission Guidelines

The administration of St. Patrick School has a responsibility to monitor student entrants so as not to jeopardize or compromise the religious and curricular education of all its students. All students will be admitted to St. Patrick School on the basis of space available and subject to the discretion and agreement of the pastor and principal. All new students must be in good standing from their prior school. They will be given a trial period to prove social and academic progress. If within this period any problem arises, the student will be asked to withdraw his or her attendance. St. Patrick School will not become a haven for anyone, of any faith, wanting to escape racial integration or any problems in the public school. The student seeking admission under any of these circumstances or motives will be denied admission.

Kindergarten Screening

The Kindergarten Readiness Test will be administered to all children seeking entrance to St. Patrick who will be five years of age on or before September 1 of the year in which they are seeking admittance. The test is a screening process which includes performance based assessment and teacher observation. Questions regarding test administration or scoring are discussed with parents at the time of testing.

Registration Documents/Information

Students entering St. Patrick School for the first time at any grade level need to furnish the following at registration time:

- **Certified birth certificate** (a copy will be made at the time of registration)
- **Baptismal certificate** (obtained from the church of Baptism)
- Records of any other **sacraments received**
- Certification of the following examinations, tests, and immunization requirements :
 - physical; dental; vision; proof of immunizations
- **Contact information** including home address, parent/guardian name(s) and phone numbers (home, cell and work), email addresses, and other emergency data

Registration Dates

School begins August 14, 2020. Registration is held in May and July.

AIDS

Students with AIDS who are enrolled or who are seeking enrollment shall be permitted to attend school and/or parish Religious Education Programs. Students who are known to have AIDS should be individually evaluated by the Pastor, appropriate administrator(s), physician(s), and other professional personnel in order to determine if their behavior or physical condition poses high risk or spread of the disease. One of the purposes of the evaluation is to prepare a specific plan for the education and care of the student. -Handbook of Catholic Educational Policies No. 4715

ATTENDANCE

St. Patrick School meets the state-required 176 days of pupil attendance and exceeds the required 880 hours of instructional time. Daily attendance is required by St. Patrick School. The daily schedule is:

6:30am	Morning Extended Care Opens
7:30am	Morning Recess
7:45am	School Doors Open/Students Enter Classrooms
7:55am	Tardy Bell Rings/School Day Starts
11:30am	Half-Day PreK Dismissal
10:45-11:30am	Recess/Lunch for Pre-K 3 & 4
11:10-11:50am	Recess/Lunch for Grades K, 1, & 2
11:20-11:50am	Lunch for Grades 6, 7, & 8
11:30-12:10pm	Recess/Lunch for 3, 4, & 5
2:50pm	Dismissal/Extended Care Begins
5:30pm	Extended Care Closes

If your child is going to be absent from class, state law requires that you call the school (423-4351). If the parent/guardian has not called school by 9:30am, the school will contact the parent/guardian to verify the child's absence. Absences not verified by the parent/guardian will be documented as unexcused.

Students at St. Patrick are granted 8 days of excused absence per semester. **Excused absences** include:

- absence because of student illness

- absence because of family member's death, serious illness, or emergency
- absence due to doctor's or dentist's appointment
- absence for personal reasons arranged in advance with the office

Upon returning to school, the student will be admitted to class with a written excuse signed by the parent/guardian or doctor. At this time, the child should request directly from the teacher any missed class work or homework assignments. Students are allowed one day grace period for each day absent to turn in missed work. If more time is needed, arrangements can be made directly with the teacher.

Students who are absent from school are not permitted to participate in afterschool or evening school-sponsored activities on the day of the absence. This includes sports, concerts, dances, plays and other performances.

In general, family vacation trips during school time are discouraged since they are disruptive to the learning process. If a vacation trip is necessary during school time, the parent/guardian must write to the principal and teacher informing them of the plan. **Homework will be given when the student returns to school.**

Any absence beyond the 8th day needs to be documented with a doctor's excuse. Students with excessive absences and/or tardiness may be prohibited from afterschool athletic activities, field trips, lead roles in music programs, or other activities outside the core curriculum as deemed necessary by the Principal. Any child who is absent more than 30 days in one school year may be considered for retention in the same grade for the next year.

If a student is absent without valid cause (an unexcused absence) for a school day or a portion of the school day, s/he is considered truant. Upon documentation of a student's unexcused absence, the child's parent/guardian will be informed. The Assistant Regional Superintendent of Schools will be notified. Appropriate procedures for referring truancy cases to the court will be employed.

ARRIVAL & DISMISSAL PROCEDURES

Arrival

Reminder for safety: **Drivers may not use cell phones in a school zone while car engine is running.**

Students who arrive at school between 6:30am and 7:30am will go to Morning Extended Care in the church basement. See page 10 for more information on this service.

Beginning at 7:30am, K-8th grade children may be dropped off for morning recess. Children may be dropped off at the Jesus statue at the south end of the church. Safety Patrol students will be there for assistance.

At 7:45, elementary students will be allowed to go to their classrooms using the main entrance to St. Patrick School (Jackson Street side). The main entrance will be the only entrance used for entry.

Junior High students will use the west entry to Shamrock Hall.

Drivers should use one of the following drop-off sites:

1. Jackson street with drop-off at the main door
2. The "U" on the north side of the main building, with drop-off for elementary at the sidewalk at the end of the "U"
3. Jesus statue at the south end of the church for Jr. High students

The tardy bell rings at 7:55am, and all students are to be in their classrooms at that time. If a student arrives after the tardy bell, s/he must go directly to the school office. Jr. High students must receive an admit note from the school office in order to be admitted to class. If a pattern of tardiness develops, the principal may request a parent conference.

Dismissal

Reminder for safety: **Drivers may not use cell phones in a school zone while car engine is running. No double parking on North St.**

At 2:50pm, all students will be dismissed.

Students riding in cars/vans are to be picked up in the parking lot east of the main school building. Vehicles will park in lined parking places in rows facing north. Cooperation to fill the parking spaces in the designated order is necessary to facilitate dismissal.

Parents/Guardians who choose not to park in the east parking lot

are to walk to the South entrance of the school to get their child(ren). In case business is not concluded by the time the car line is dismissed, parents needing to conduct school office business should park by the east or south fence area. Cars will be dismissed when all students are safely in their cars, and the teacher on duty has removed the chain barricade.

Students riding the city bus will go directly to the south doors on North Street to wait for a teacher who will escort them to the Transfer Station. Bus riders are to conduct themselves appropriately on the city buses at all times.

Afterschool Extended Care students will meet in the library in the main building and wait until they are escorted to the church basement.

Students who are going home by transport other than car/van or city bus must have a written permission note on file with the school office. This written permission must be signed by parent/guardian and will be kept on file in the school office for the school year. Please contact the school office for the appropriate form to complete.

Students waiting for late rides will remain in the parking lot with a teacher until 3:10. At that time, any students who have not been picked up will be escorted to Extended Care in the church basement. See page 10 for more information on this program.

Some important dismissal reminders:

- All students are to respect and obey the supervising teacher and wait in the designated area.
- Students are not to run, play games, or play ball anywhere on the school grounds at dismissal.
- Dismissal time is not an appropriate time for parents/guardians to engage a teacher in a "conference."
- No student will be permitted to go to the Civic Center.
- Changes in a student's usual transportation routine need to be arranged by the parent/guardian and sent in writing to the school office that day. Students will not be permitted to make changes in their after-school plans or their own alternate arrangements for after school rides. Only in situations designated as an

emergency by the school office will permission to make such changes be accepted from the parent/guardian over the phone.

- No pets are allowed on school property.

STUDENT SAFETY

Asbestos Management

St. Patrick School has completed the Asbestos Management Plan in accordance with Federal Government regulations and a copy is on file at the school office for public inspection. Regulations require that this notification be made annually to all parents and staff. The tri-annual re-inspection has been completed and is on file in the School Management Plan. Six-month periodic surveillance requirements and additional re-inspections will be completed as required by Federal regulations.

Crisis Plan

St. Patrick School faculty and staff have developed a crisis management plan for implementation in the case of natural, technological, and civil disasters which might endanger student safety and welfare. This well-developed plan provides the school with an All-School Phone Tree, managed by the office, which will be used only in case of emergency during school hours to notify parents/guardians about the whereabouts of their children and the procedure to follow in order to secure them.

Playground/Recess Safety Rules

The following rules apply to all children any time they are on the playground or in the rectory basement. Those students who choose not to follow the rules and directions of the playground will sit out the rest of the recess.

- No abuse of playground equipment.
- No fighting, tripping, or tackling another student.
- No gum, candy, or leftover lunch items are to be eaten outside or in the rectory basement.
- No carrying of another child for any reason.
- No playing in the water or snow or sliding on ice.
- Never leave the playground area without permission from the adult supervisors, even if you think it is an emergency.

Playground Equipment Rules:

- Sit down when using the slide.
- No jumping off the top of the equipment or "bridge".
- Wood chip play area is limited to Grades Pre-K through 2.

- No throwing wood chips.

Personal Playground Items

Children are not encouraged to bring their own playground equipment to school. The school cannot be responsible for items which are lost, stolen, or damaged. If a student chooses to bring such items to school, the student assumes full responsibility for them. The student's equipment may be confiscated by a teacher or the principal if it is being used at the wrong time, in an inappropriate manner, or anywhere other than the playground. Items should be labeled clearly with the owner's name. If there is a discrepancy as to ownership, the item will become property of the school.

Safety Drills

All students and teachers practice procedures to use in case of disasters. The saving of lives may depend on obedience to instructions. There should be absolutely no talking during drills, as it may be necessary for the teacher to give different emergency instructions.

Fire drills are held at regular intervals. The signal for the fire drill is a steady sounding of the fire horn. Procedures to be followed in case of a fire drill are posted in all classrooms and discussed with the students by each teacher. When the fire alarm is sounded, all work should be stopped immediately, and people should move to the exit indicated and out of the building in a quiet and orderly manner.

If a student should accidentally turn in a false alarm, he/she must report to the office immediately and give the location of the broken fire box. If a student deliberately pulls a false fire alarm, the punishment for such an offense may include suspension and/or expulsion from school, as well as being turned over to the police.

Tornado drills are held at regular intervals. Procedures are posted in each classroom and discussed with the students by the teacher. In case of a tornado drill or alert, the principal will give information over the intercom, or by messenger in case of power failure. All students will move to an area considered safer than the classroom.

Earthquake drills will be conducted. Earthquake procedures are posted in each classroom and reviewed with the students by the teacher.

Emergency School Closings

If school is closed due to weather or other emergency conditions, announcement will be made on radio station WSOY-Y103 and TV station WAND, the St. Patrick School Facebook page, and Families of St. Patrick School. In the event students are already present and inclement or hazardous weather forces an early closure of school, the All-School FastDirect program will be used. In addition, notification will also be broadcast over WSOY-Y103 and WAND-TV. Please do not call the school office to check on closings. This ties up the phone lines and makes it difficult for us to reach the news media and necessary contacts.

Diocesan Safe Environment Requirement

Bishop Thomas J. Paprocki has mandated that all adults 18 and older in the Springfield Diocese who work or volunteer in parishes or schools must attend the safe environment training, *Protecting God's Children for Adults*, and have a background check. Every parent/guardian, family member, friend, or supporter who volunteers in any way in our school must have this training. The training provided by the diocese is one element in our shared responsibility to keep children safe from sexual abuse. Contact the St. Patrick School office at (217) 423-4351 for dates and locations of training sessions offered at our parish. A diocesan-wide schedule of training sessions is available on the diocesan website: www.dio.org.

Drugs/Weapons

Any student found smoking or in possession of drugs/alcohol, or participating in any way with drugs/alcohol or in possession of a weapon and/or ammunition of any kind, while at school or at a school-related or school-sponsored activity, will be dismissed from school after a hearing with the parent/guardian, principal, and pastor. Possession of a gun on school property is illegal. Local law enforcement will be notified of drugs or firearm incidents. Additionally the Illinois State Police will be notified of such incidents through the School Incident Reporting system (SIRS)

Harassment and Bullying

St. Patrick School strives to provide a safe and secure environment in which each student can learn and grow. Because we are committed to preserving the dignity of each student, harassment of any individual by another individual or group of individuals will not be tolerated.

Harassment is defined as repeated unkind, derogatory, demeaning, violent, or inappropriate remarks or conduct directed toward a student. It includes, but is not limited to, the intentional blocking of normal movements, or the intentional interference with work, study, or play.

Bullying is defined as deliberately hurtful behavior, repeated over a period of time, where it is difficult for those being bullied to defend themselves. Bullying may be physical, verbal, or indirect by spreading rumors or excluding someone from a social group. It also includes cyber bullying when it causes substantial disruption to the educational process or orderly operation of a school.

In cases where harassment or bullying is found to exist, the full measure of the school discipline policy, including the extreme measure of expulsion, may be invoked. Penalties will be at the sole discretion of the principal and pastor.

Threats

Any student who threatens the safety of himself or herself, another student, teacher, or staff member of the school through words or actions will be removed from the school pending a hearing with parent/guardian, principal and pastor. A psychiatric evaluation which states that the child is safe to self and others may also be required before re-entry to school. All threats will be taken seriously and will be investigated.

Sexual Harassment

St. Patrick School strives to provide a safe, positive learning environment for everyone in our school. For this reason, and in keeping with the objectives of maintaining the dignity of the human person, sexual harassment is expressly prohibited anywhere within the school environment. Sexual harassment includes, but is not limited to, the following behaviors:

- the use of sexually explicit language, including but not limited to sexually-oriented epithets, sexually derogatory jokes, comments or slurs
- the open display of any sexually explicit or inappropriate posters, photographs, cartoons, drawings or physical gestures
- the unwanted and inappropriate touching or threatening of oneself and/or another person in a suggestive or aggressive manner

Any act of retaliation against any person for reporting sexual harassment, assisting in making a sexual harassment complaint, or cooperation in a sexual harassment investigation is strictly forbidden.

Illinois Sex Offender Registry

Pursuant to Public Act 94-994, a school district is required to notify the parents of children attending school within the district that they may access information regarding registered sex offenders that is available to the public. This law is intended to increase awareness of the Illinois Sex Offender Registry (I-SOR) and to encourage parents to review the information available to them. For your information, the Illinois Sex Offender Registry is available through a link on the Illinois State Police website at <http://www.isp.state.il.us/sor>.

Physical Assault

The faculty has defined physical assault, including but not limited to, as any attempt directed at harming another, such as hitting, throwing punches, kicking, fighting, or physical contact/harm of any kind. The consequences for individuals involved in an altercation can include:

1. Immediate removal from class
2. Call to parent/guardian
3. A "cooling off" period away from students
4. Parent/Guardian-Principal-Student meeting to determine consequences upon return to school
5. A behavior contract, suspension, or dismissal to be determined by the principal and pastor

The consequences for infractions are adapted to the child's age and grade.

SPECIAL EVENTS AND ACTIVITIES

Birthdays

Students receive a non-uniform day on the day their birthday is celebrated at school. Please follow non-uniform day guidelines in the Uniform Dress Code section (p. 22 & 23). If a child wishes to bring treats for the class, please check with the teacher concerning the treat and the time of celebration. Treats should be simple such as a mini cupcake or cookies. Gum is never allowed as a treat or party favor. Balloons, flower bouquets, or other extravagant gifts are not appropriate at school. If delivered to school, they will be kept in the office until dismissal. If invitations to outside of school activities (i.e. birthday parties) are distributed at school, all classroom students MUST be invited.

Field Trips and Off-Campus Travel

All field trips for students of St. Patrick School are educational or catechetical in nature and are approved in advance by the school principal. Field trips are privileges. Students may be denied participation

if they fail to meet academic or behavioral requirements. This will be determined by the principal or classroom teacher. Administration reserves the right to discipline students for off-campus behavior. The cost of purchased tickets and transportation is not refundable if a student is absent the day of the field trip. Cell phones are allowed on extended field trips only with permission from the teacher or chaperone.

Field Trip Permission Slips

The permission slip provided by St. Patrick School for each field trip is the only acceptable method of parent/guardian permission. No authorization by phone or in any other written form will be accepted. Each student must return the proper permission slip, signed by parent/guardian, the school day prior to the trip, or the student will not be allowed to attend the field trip. By Diocesan guidelines, St. Patrick School is not permitted to issue a "blanket" or generic permission slip that could be used for all field trips. For reasons of liability, each field trip must have its own permission slip containing the details of that particular trip.

Field Trip Transportation

All students will be transported on field trips by 1) a bus arranged through the school office or 2) on occasion a car driven by a licensed and insured driver. The driver must be 21 years of age or older and drive an insured vehicle with enough seat belts and/or car seats for each passenger. All drivers are required to have proof of insurance on file in the school office. All drivers must comply with the Diocesan safe environment requirements of attending a Protecting God's Children class and submitting to a background check.

Scouts

Scout activities are sponsored if an adult is willing to coordinate and be a leader. Check with the school office.

Cub Scouts: Grade 1 - Tiger Scouts; grade 2 - Wolf Den; grade 3 - Bear Den; grades 4 & 5 - Webelos Den.

Boy Scouts: Grades 6, 7, and 8.

Weekly School Folder

Each Monday a folder will be sent home with the family's youngest child. This folder will contain a letter from the office, announcements, information about events and activities, gift certificate order forms, Extended Care statements, Home & School notes, athletic notes and other office communication.

Parents/Guardians are asked to read the items, sign the folder, and return any forms requiring signature or payments in the folder. The folder is to be returned the next day. A paperless version is available upon request.

St. Patrick School organizations wishing to send notes home with students need to have their prepared messages to the school office by Friday prior to the week the information is to be sent. Messages need to be typed and proofed. Approval of the principal is needed for all notes sent home.

Contacting a Teacher, Principal or Pastor

Parents/Guardians may contact a teacher, the principal or the pastor in any of the following ways:

1. FastDirect Mail
2. Phone call (school office: 423-4351; parish office: 429-5363)
3. Written note addressed to the teacher or principal sent in Monday Folder

FastDirect

Through this service, parents have online access to daily attendance and report cards as well as a convenient way to contact teachers. Activation information is available at registration. Families without internet access are encouraged to use the school library computer.

DISCIPLINE POLICY

Self-Discipline

The goal of any discipline policy is self-discipline. Self-discipline is the ability to control one's own behavior and make appropriate choices in order to improve and grow. The best means of developing self-discipline in our students is to model a consistent and strong collaborative spirit among all who share in their education: teachers, parents, administrators, and all other school personnel.

Behavior Expectations at School and Off Campus

The teachers and principal of St. Patrick School have established the following classroom behavior expectations and consequences for non-compliance. Behavior expectations, rules, and consequences are posted in each teacher's classroom. The behavior expectations and rules will be taught to the students. This plan will be implemented by all responsible personnel in instructional situations. Consequences for failure to comply with these expectations will be posted in each classroom. The administration reserves the right to discipline students for off-campus conduct when involved in school-sponsored activities.

Discipline is fundamental to Catholic Education, but it should be positive and constructive. Corporal punishment, humiliation, sarcasm or deliberate embarrassment is forbidden. Students should not be sent into the halls or into an empty room unsupervised. An entire group should not be punished because of the conduct of a few students. All persons in the employ of or working on behalf of the school shall:

- Respect the dignity of the student at all times – avoid personal indignities such as striking, pulling hair or ears; avoid sarcasm, ridicule, nagging, name calling or public humiliation.
- Provide a classroom that is conducive to learning: order and discipline are an outgrowth of good teaching.
- Deal with each individual student discipline problem – avoid indiscriminate punishment of all in the class for misconduct of one or a few students.
- Help the student to see clearly the consequences of various behaviors and to realize that choosing certain behaviors means accepting the responsibility for the consequences of those behaviors – the consequences should always be logical and appropriate to the behavior.
- Discuss the classroom regulations and procedures as well as the consequences of violating these regulations and procedures.

Behavior Expectations

Students will: be prompt and prepared; respect authority; respect others; respect property; and follow the six pillars of Character Counts (trustworthiness, respect, responsibility, fairness, caring and citizenship)

Consequences for Misconduct

In-School Suspension

More serious misconduct leading to in-school suspension includes but is not limited to: chronic misbehavior, disrespect, defiance of authority, vulgar language, displays of affection, and dishonesty (cheating, plagiarism, forgery, etc.). In-school suspension can be from 1 to 3 days and requires the student to be present during regular school hours (7:50am-2:50pm). The student will be separated from his/her peer group and will be given assignments, which are to be completed according to the teacher's specifications. The in-school suspension will not be considered served until required academic work is completed. In keeping with section 407.2 of the Diocesan Handbook, the date(s) of the in-school suspension and a summary of the parent conference shall be kept on file at the school office but not part of the student's permanent record.

Out-of-School Suspension

Out-of-school suspension may be given at the discretion of the principal or pastor when other measures have proven to be ineffective or when immediate removal from the school setting is necessary in the best interests of the school. In the event such a penalty is to be enforced, the school will give prior notification to the parent(s)/guardian(s). This method of suspension requires that the parent(s)/guardian(s) are to be responsible for the student while not in attendance at school. Assignments will be given to the suspended student. All work, assignments, and tests that are missed will be recorded.

Behavior Contract

This results in the student losing some privileges. While under a Behavior Contract, the student will: 1) have lunch away from his/her peers 2) not be allowed to go on field trips 3) not be granted any non-uniform days. The student must exemplify the four Behavior Expectations to earn back each privilege, one week at a time. Parent(s)/Guardian(s) will be notified of such a consequence, and a conference will be necessary to write the behavior contract. The use of a behavior contract will be determined by the teacher and/or principal.

Expulsion

Expulsion is a very serious punishment. Section 407.3 of the Diocesan Handbook states the following situations which demand removal of a student from school:

- Delinquency and immorality which warrant commitment to a correctional institution or which constitute a definite menace to other pupils.
- Chronic or incorrigible misbehavior which undermines classroom discipline and impedes academic progress of the entire class.

Expulsion from school is determined by the principal and pastor. Expulsion is permanent. No re-admittance to St. Patrick School is permitted.

Corporal Punishment

St. Patrick does not employ any type of corporal punishment, in accordance with #402.4 in the Handbook of Catholic Education Policies, which states:

All persons who are active in the educational mission and youth ministry programs of the diocese are to respect the dignity of the persons entrusted to their care. They shall avoid personal indignities such as sarcasm, ridicule, nagging, name-calling, and other public humiliation. Such persons shall never employ corporal punishment nor inflict physical abuse with respect to those entrusted to their care.

Grievance/Conflict Resolution Procedure/Appeals

A grievance is a difference of opinion or dispute raised by students and/or parents concerning the policies and procedures of the school. The primary purpose of a grievance procedure is to secure, at the lowest possible administrative level and in the most informal manner possible, equitable solutions to problems which may arise affecting student learning/disciplinary concerns. Problems relating to general school policies and procedures should be addressed to the principal. Problems relating to student-teacher relations should be addressed as follows:

Step 1: The student should make an appointment to talk directly with the teacher in order to determine the cause of any academic or behavior problems and work toward a joint solution.

Step 2: Parent(s)/guardian(s) should contact the teacher by phoning the school or sending a private note expressing any concerns and indicating interest in discussing the problem and working on a solution.

Step 3: The parent(s)/guardian(s), teacher, and student should arrange a conference to discuss progress and formulate a plan, in writing if necessary, for dealing with the problem and following up on the effectiveness of the plan.

It is expected that during these steps, all parties involved will refrain from counterproductive and inappropriate conversations with other teachers or parents about the situation. In the majority of cases, grievances can be equitably resolved at some point in Steps 1-3. If the situation remains unresolved, the principal will become involved.

Step 4: The principal will initially determine whether Steps 1-3 have properly occurred. Next, the principal will arrange a conference among all concerned parties and will attempt to mediate an acceptable solution which is both fair and faithful to the school's academic and disciplinary policies. The arrangement may be verbal or in writing. A schedule of follow-up conferences to check progress will be formulated by the principal with attendance by all parties expected. The principal will inform the pastor of the situation. If all parties follow through on the agreement, improvement should be obvious by the end of the follow-up period. Again, respect for privacy and the reputation of all parties should preclude any public discussion of this process.

Step 5: If Steps 1-4 do not secure a satisfactory resolution, the matter will be brought to the pastor. As with all issues concerning the parish or the school, the pastor will make a final decision to resolve the situation.

FUNDRAISERS, SCHOOL PROJECTS, AND FACILITY USE

St. Patrick School families will receive a list of approved fundraisers for the year at registration. With the exception of the normal school fundraisers,(i.e. Annual School Fund Drive, Scrip/Gift Certificates, Auction, Athletic Association Candy Drive, and Missions), all other fundraisers must be presented to the Principal, School Advisory Board, and be approved by the pastor. For scheduling facility usage contact the school and parish offices.

Annual School Fund Drive: Each year St. Patrick School attempts to offset its operating expenses through an Annual School Fund Drive. This campaign reaches out to the parents, parishioners, alumni, faculty, grandparents, friends and the community for their support. All are encouraged to be receptive to pledging prayers for our students and staff and in doing whatever else is possible through service, donations or other financial gifts.

Scrip/Gift Card & Certificate Program: St. Patrick School sells gift cards and certificates for many popular retail stores and restaurants, receiving a percentage of the face value of the card. The money received from the sale is applied toward the school and toward the tuition account of the family that made the sale. Scrip can be purchased by filling out an order home sent by St. Patrick School or calling 217 429-5363.

St. Patrick Auction: This annual event raises money to offset some of our large expenses such as new technology, building updates, textbooks, etc. It is held in the spring and many volunteers work throughout the year to make it a success.

St. Teresa High School Annual Mega Raffle: St. Patrick School participates in the annual St. Teresa High School Mega Raffle. Ten dollars out of each \$100 ticket that is sold by a St. Patrick family is returned to St. Patrick School. Information and tickets are available in the spring.

All students at St. Patrick in grades K-8 participate in this testing. Students in Grades 5 and 8 also participate in the ACRE religion standardized assessment mandated by the Springfield Diocese.

Retention & Promotion of Students

Retention is to be considered in three (3) situations:

1. Any student who has been absent for more than 30 days in one school year is liable for retention in the same grade the following year.
2. A student who has not yet reached the maturity level needed to do the schoolwork required for a given grade level may be recommended for retention. Parents have the option of placing their child in the next grade if they disagree with the recommendation. However, the child will be *transferred*, not *promoted*, and may struggle in the following grade. When a student in Grades K-5 is transferred over the advice of the professional staff, parents must sign a statement acknowledging that the transfer occurred against the advice of the professional staff. If a child is recommended for retention for a second time, in a different grade, after the parents have insisted on a higher placement, the decision will rest with the principal.
3. A student in grade 6 or 7 who receives an F average in one or more major subjects will be retained at the same grade level for the following year. Parents will be notified by the principal when there is danger of failure so that remediation can be pursued, which could include tutoring and/or summer school. If a student fails one or more major subjects in spite of the warning and recommendations for remediation, the student will be retained in the same grade for the following year. Eighth grade students must pass all subjects in order to graduate.
4. Students will not be socially promoted.

Theology of the Body

Theology of the Body, taught at the Jr. High level, is a comprehensive program to teach self-respect. Parents are to attend a meeting about the program. Families receive a handbook that coordinates with the program and helps assist with their discussion at home.

The Internet links computers around the world, giving students and teachers access to a wide variety of information resources. It is the policy of St. Patrick School that all computer resources, including the Internet, are to be used in a responsible, efficient, ethical, and legal manner. The following guidelines have been developed to outline the manner in which the Internet is to be used by St. Patrick School students and staff. Failure to use the computer network in the manner described below will result in revocation of access privileges. The complete Diocesan/Parish Guidelines and Procedures Manual is on the school website, www.decaturstpatrick.org. Parents and students sign an acceptable use and iPad/Chromebook agreement.

Modification of Network Use Policy:

St. Patrick School reserves the right to modify or amend this policy at any time in order to meet changing conditions in the field of computer and Internet technology or to address unforeseen situations which may arise. Notification of modifications to this policy will be published to the school community in a timely fashion.

Acceptable Use of the Network:

The Internet will be used only for instructional purposes directly related to learning goals set by the classroom teacher and the curriculum objectives established by the school administration.

Access to the Internet:

Students and staff will have access to the Internet through their classroom technology on a limited basis utilizing information resources which will be pre-approved by faculty/staff and the school administration.

Unacceptable Use of the Technology:

Unacceptable communications or actions involving the Internet include, but are not limited to, the following:

- Unauthorized searching and browsing within Internet information resources.
- Using profanity, obscenity, or other language in messages which may be offensive to others.

- Agreeing to meet with someone you have met on-line.
- Damaging computers, iPads, computer systems or networks, including the data of others.
- Sharing your password with others.

Sanctions

If a student intentionally engages in any of the prohibited acts listed, the student may be subject to the following disciplinary action: suspension of network access and/or Internet access, revocation of network access and/or Internet access, suspension, school expulsion, or a referral to legal authorities.

Student/Staff Responsibilities

- Your access to the Network and Internet is a privilege, not a right. Continued access to the network is based on compliance with the guidelines set out in this policy.
- The manner in which you use the Network and the Internet reflects on the reputation of St. Patrick School and your own reputation. It is mandatory that this reflection be unblemished and that all users conduct themselves with the utmost respect and courtesy at all times.
- You should expect only limited privacy in the contents of files on individual data disks or on the hard drive of any school device. They are subject to the Search and Seizure policy described in the Parent-Student Handbook.
- St. Patrick School may restrict your use of the Network and Internet if your communications are not directly related to the learning goals set by the classroom teacher and the curriculum objectives established by the school administration.
- Parents have the right to request to see the contents of their student's personal files or individual data disks at any time.

Telephone Use

Students will not, as a rule, be allowed to make phone calls from the school telephone. All arrangements for transportation and afterschool activities are to be taken care of before school. If an afterschool activity is canceled during the school day, students will be allowed to call to make alternate transportation arrangements.

Phone calls to obtain permission at the last minute to attend field trips or activities will not be allowed. (See Field Trips p. 10).

In order to encourage responsibility, students will not be allowed to use the school phone for forgotten assignments, books, P.E. clothes etc. In addition, parents/guardians are asked to cooperate by not delivering forgotten assignments, books, P.E. clothes, etc.

Tuition payments should be current and pre-registration should be completed by those seeking scholarships or financial aid.

Volunteer discount

It is the policy of St. Patrick School to reward families who complete 20 hours (K-8) or 10 hours (Pre-K) of volunteer service with lower tuition than the families who do not volunteer. It is the responsibility of each family to provide documentation of volunteer service.

Referral Discount

St. Patrick offers a reduction in tuition for those families who refer a new family to the school. That reduction is applied as a tuition credit for the referring family when the student(s) of the new family remains for a full year and the new family meets its financial obligations for fees and tuition. The credit is issued for the next school year.

Refunds

Students who withdraw from St. Patrick School and request a refund will be directed to the parish office. Refund of tuition will be determined by the parish office. A fee will be charged.

Returned Checks

If St. Patrick School receives a returned check from a parent/guardian due to insufficient funds, a \$25 NSF fee will be charged. Subsequent payments must be made in either cash or money order.

Year-end Responsibilities

Family School Agreement – Basic Plan for 2020-2021

What does discipleship and stewardship ask of active parish stewards? It expects:

- an active witness to the Catholic faith by our daily teaching and living, making discipleship a way of life;
- the entire family’s participation at Mass in the parish every Sunday and Holy Day of Obligation;
- active involvement in the various parish ministries, each according to his or her time and talents;
- a respect for and cooperation with those who actually provide Catholic education – the priests, parishioners, and all school personnel – and their policies;
- each family to aspire to the biblical ideal of tithing, as our Diocesan Synod will be considering the goal of all parishioners giving a certain percentage of their income to the parish; and
- the full participation of the child, according to age and ability, to practice stewardship as well.

As parents we ask parish to help us provide our child(ren) with a Catholic education. We understand and agree that our child(ren) will be taught the teachings of the Catholic Church in their fullness even if we are living a way of life that is contrary to those teachings. We also understand that if we do not live in accord with Catholic Church teaching, we are expected to discuss with the pastor of our Catholic parish ways in which we could. We further accept a commitment to the stewardship way of life as practiced in our parish. We pledge our full cooperation with the school and parish to prepare our child(ren) to be a disciple of Jesus Christ. We will make every effort to supervise our child(ren)’s commitment to this agreement.

There will be many opportunities throughout the year for students to participate both in and out of the classroom to help those in need. Students may also work with family members to meet this requirement. All sections of this form must be filled out or no credit will be given for any hours. If you do not complete the Service hours within the Quarter, your letter grade will be dropped a whole letter grade. FYI, Babysitting does not count as Service hours. Also remember you CAN NOT get paid for the service. You CAN NOT bankroll service hours. You may use up to 5 hours from summer help for the first 9 weeks. CAN NOT use more for any other quarter. Guidelines for eLearning St. Patrick School

Enrolling

To enroll in eLearning, Mr. Blackburn, the principal, must be notified through a FastDirect message. This message must contain the student(s) name that a parent/guardian would like to enroll in eLearning. Mr. Blackburn will then instruct your classroom teacher to send a FastDirect message with any eLearning instructions. Enrollment must be done by Tuesday, August 11th for the student to begin in the year with eLearning.

Once the school year has begun, students will be able to enroll in eLearning with a small waiting period. This waiting period ensures that the teacher has the proper amount of time to prepare work for the eLearning experience. Typically, this will be at the start of a new school week, but this will not always be the case.

Once a student is enrolled in eLearning, that student must stay in eLearning until the next midterm or quarter. Near the end of the midterm or quarter, the classroom teacher will contact their eLearning families on how they will proceed. If the family feels prepared for face-to-face learning, the student may return to face-to-face learning after the midterm or quarter. If the family would like to continue eLearning, they must continue eLearning until the next midterm or quarter. Midterm and quarter dates are as follows:

1. September 18th, 2020- 1st Quarter Midterm
2. October 16th, 2020- 1st Quarter Ends
3. November 20th, 2020- 2nd Quarter Midterm
4. December 18th, 2020- 2nd Quarter Ends
5. February 5th, 2021- 3rd Quarter Midterm
6. March 12th, 2021- 3rd Quarter Ends
7. April 9th, 2021- 4th Quarter Midterm
8. May 19th, 2021- 4th Quarter Ends

Please note: If at any time we are moved into Phase 5, all students will be moved to face-to-face instruction.

Work Distribution

Work will be distributed as follows:

- Any digital work will be uploaded by 4pm every school day. This may include any resource videos, recordings, etc. needed to perform daily work. Teachers will be using different applications so please make sure you have everything needed!
- Teachers may choose to pass out paper copies to students for work. This will require a parent/guardian of the student to pick up the work from school. The frequency and time for pick up will be agreed upon by the teacher and parent/guardian. This may include a daily pick-up/drop-off. Since lessons and work can constantly change, we all must be flexible to ensure the highest quality education possible.
- Work may also include digital lessons to be done. Students will be required to submit this work before the deadline.

Work Deadlines

- Work will be due by 4pm on the next school day. For example, if work is given on Monday, that work will be due by 4pm on Tuesday. This includes any digital or paper work that will be assigned.
- For every day late, 10% will be deducted from the overall grade. For example, if a student turns in an assignment a day late and would have received a 100%, this grade gets deducted by 10% to 90%.
- If an assignment is a week overdue, this assignment will be a zero in the grade book and no make-up will be allowed. For example, if a Monday assignment does not get turned in by 4pm the following Monday, a zero will go in the grade book.
- This policy is to ensure students are keeping pace at home and to help the teacher stay on course with their curriculum. Turning an assignment promptly also allows the teacher to provide quality feedback in a timely manner.

Addendum #3 Continued

Testing

To ensure students are keeping pace, testing may be required. This is determined by the teacher. If taking a test is needed, a clean space will be provided at the school where other students are not present. This method may be used throughout the year to further track comprehension, progress, and grades.

Attendance

Attendance will be taken based on assignments given throughout the week. If a student does not do the assigned work from the previous day, that student will be marked absent from school. For example, if the student does not complete their work from Monday by the deadline given, they will also be marked absent on their attendance.

Teacher Hours

Since teachers will have their full-time responsibility of face-to-face learning, they will have set hours of availability. This is to ensure that our teachers are able to take time to be with their families and recharge. Time to recharge is key to keeping our teachers at their best mentally, physically, and spiritually. Teachers will be available to respond to messages on school days, between 7:30am and 4:00pm. Outside of these hours, teachers are not required to read or respond to messages.

Lesson Recording

Live lessons are not required by any teacher. Lessons from teachers can be recorded and uploaded, but they are not to exceed 15 minutes in length. This policy is in place to protect the privacy of the teacher and students inside the classroom. Furthermore, large video files can take excessive time to upload. Teachers are encouraged to send out any resources necessary to aid student learning. These resources may include videos watched in the classroom, websites visited during class, short videos explaining sample problems, etc.
