Celebrating over 34 years of safe graduation night fun

Dear Class of 2023 Parents and Seniors,

Reserve the date: Graduation Night June 16, 2023

Inviting all graduating seniors to participate in this special overnight party event that celebrates 34 years of safe, drug free, alcohol free, good old-fashioned fun! The night begins with a lock down party in the school cafeteria, food, door prizes and entertainment provided by a hypnotist and your classmates; then, continues on to NYC to enjoy an early morning dinner cruise around the New York Harbor and Statue of Liberty. Return to Del Val is in the early morning approximately 5:30/6:00 AM.

The expense of this evening is covered with collaborative efforts by community families and students. Our efforts will involve fundraising and donation requests during this school year to offset costs. The average cost per child to attend is \$175.00. We ask for parents and families of the graduates to cover a percentage of this cost to defray down payment expenses and meet deadlines. The fundraising committee efforts will cover the remainder of the cost for your child to attend.

Additionally, we kindly ask you and your students to participate in generating excitement about this celebration to continue this 34-year Del Val tradition and even join a committee to help raise money to defer costs! The average senior attendance has been 85 – 90% over the years! **Meetings are held the 2nd Tuesday of each month in room C100 or the Cafeteria at 7 p.m.** We welcome 9th through 12th grade parents at our meetings or to help from home if attending meetings is not possible. Your time and talent is appreciated in a big or small way; many hands make light work!

Looking forward to providing a safe night of fun on Graduation Night 2023!

2023 Project Graduation Committee; e-mail: delvalprojgrad@yahoo.com
