

Ways to Help

We hope you are healthy and well. We have received inquiries on ways MYEP can use help as we face the challenges COVID-19 is bringing. We have put together a few ideas that would directly benefit the individuals served by MYEP as well as our Direct Support Professionals who have been in there bravely doing their jobs each day.

Supplies! We are running extremely low on certain necessities. Any amounts of the following items would be extremely helpful:

Masks- cloth, paper, medical, construction- ANY MASKS YOU CAN COME BY!

Hand Sanitizer

Disinfecting Wipes

Toilet Paper

Paper Towels

No-Contact Deliveries

It helps everyone's spirit to have a surprise dropped off on the porch. This can also be an opportunity to support local businesses! A couple of easy wins are food and activity baskets. If you would like house-specific recommendations please contact the house Lead or Service Coordinator.

Phone Calls & Virtual Socializing

We have phones, internet and computers at every house. We would be happy to help facilitate calls and virtual social opportunities.

We are always happy to accept monetary donations. If this option is easier for you and you would like to assure your donation goes to this immediate need please be sure that is indicated in the memo of the check. We will follow up with you then in the near future to let you know specifically how your donation was used.

If you have any questions, contact Megan Gerber at m.gerber@myep.us or 319-341-0060 x7003.

Thank you for your support during this difficult time!
