

Celebrating History of India

The Gujarati Association of Manasota and the Indian American Association of Manatee & Sarasota are proud to announce the annual IndiaFest of Manasota; at the spacious and centrally located Bradenton Area Convention Center.

This festival promises to entertain and bring awareness of the Indian culture and heritage to visitors. The event will be marketed in local newspapers, magazines, and high-traffic business venues. Based on previous 2 year's attendance figures, we estimate over 4,000 total attendees throughout the day from Manatee, Sarasota, Pinellas, Hillsborough, Hardee, Charlotte and Desoto counties.

Souvenir booklet containing event related information will be given out to all attendees. We are planning to print 3000 booklets in color; size of the book will be 5.5 inch / 8.5 inch.

Along with festival information, **sponsor advertisements** will also be included in this book. Number of advertisements will be limited and on first come first serve basis.

This is your opportunity to be a part of the 2016 IndiaFest of Manasota by becoming an event sponsor. Several Souvenir Ad Sizes are available. Please see attached application.

The Gujarati Association of Manasota is a qualified 501-C(3) entity, and sponsorships amounts are tax deductible. Contact the IndiaFest Organizing Committee for more information.
