To Whom it May Concern:

Coleson's F.R.O.G. is dedicated to serving families with children that have been diagnosed with pediatric cancer. Coleson Young, at the age of two was diagnosed with a malignant brain tumor. After surgery, radiation, and much prayer; Coleson is now a healthy, active boy that is CANCER FREE! Turning their family trial into a blessing, Julie Young founded the F.R.O.G. ministry for the sole purpose of being a blessing to these children and families that are now facing similar trials.

Coleson's F.R.O.G. is excited to be in the planning stages of our 8th annual F.R.O.G. Walk and Family Day to be held on **Saturday, April 28, 2018** at Lake Worth Park. With the support of surrounding communities and local businesses, last year we were able to raise a little over \$22,000 and Walked by Faith with over 600 participants. We were able to use this money raised to host our annual F.R.O.G. camps. Additionally, we were able to serve meals and host Christmas in July at the Fort Worth Ronald McDonald House, assist families with lodging, gas cards, family fun time, and so much more! This year we are welcoming more participants! With your help, it is our goal for all registration fees to go directly to helping our F.R.O.G. Families. We can reach this goal easily with the help of sponsors like you! You can learn more about Coleson's F.R.O.G. and our upcoming walk at www.colesonsfrog.org.
