

**Au Fait Hair is honored to receive the Phorest Client Experience Award for 2019. This award is based on reviews that clients post using Phorest Salon Software after they leave the salon.**

It is not based on votes or a judging panel, but purely on the experiences paying clients have had in our salon. Salons need to keep their reviews consistently high at 4.5 or above for 12 consecutive months to be eligible. And we all know that's not an easy feat!
