#### **Reminders:**

If you are selling or buying property within Corrotoman by the Bay, please remember it is the Seller's responsibility to order Financial Disclosure Packet for the property you are selling. This ensures your name is deleted and new owners added to the Homeowners Association records. Failure to do so could leave you liable for future assessment billings until resolved.

#### Notes:

Reports are provided by ACS-West by the 3rd week of the following month; therefore, all accounts reported are from the end of SEPT with the exception of Cash for Amenities. All funds received for Amenities have been forwarded to ACS for processing. I continue working with ACS to clarify any lot/owner discrepancies.

#### New Business:

Yard sale proceeds were \$217 wth the Nelson's and Ehlman's donating their receipts. Funds were not deposited until November 2nd along with funds from clubhouse rentals.

#### Old Business:

\$30,000 from CIT Cap/Res account moved to local Cap/Res account in September.

Collection letters were sent to all delinquent owners on 9/15 prompting more payments to be sent in. 13 letters were returned and we are following up with our legal advisor on next steps. Unfortunately, we still have properties being sold without notification to ACS which makes tracking difficult at best.

#### COMMITTEE REPORTS FOR NOVEMBER BOARD MEETING

#### Architecture Committee Report:

- 1. Sent letter to property owner of lots #570 & #609 last month requesting mowing of their lots. They replied but have not followed through. According to the by-laws we can hire someone to clean it up and send the bill to the owners. Recommend we use Mo & J's mowing service.
- 2. Have 3 requests for fence and/or shed to be put up. Will follow up this next week or so.
- 3. Have a request to remove all trees on lots #459 and #460 by the 2 owners who recently purchased them. Spoke with Kevin McNair and we agreed no action required from us but will request a \$1,000 roads deposit since we just completed work on this road.

#### **Collections Committee Meeting Minutes of 6 October**

#### Present: Deb Beutel, Claire Smith, and Sam Longstreet

# 1. Collections Committee Members please review the attached proposal for Glenn Ayers Collections Services and prepare recommendation for the BOD.

Deb will forward a copy of the Glenn Ayers proposal for Collections committee Review and forwarding to 12 November BOD for President's Signature. There would be a \$750.00 initial charge for reviewing CBTB Collections information. After reviewing again, I realized that the contract is for Collection Services and all other legal services are priced but, not yet agreed to.

An additional fee of \$54.00 - \$65.00 per account being processed as Warrant in Debt. Since Warrants in Debt are a legal action against person not property, my question is, do we file one Warrant in Debt for all debt and amounts owed by a single delinquent owner as opposed to the Lien which must be prepared and filed for each lot?

# 2. Review final list of delinquent owners to be forwarded to collections as a recommendation to the Board of Directions for approval at 12 November Board meeting.

After Claire, Sam and I reviewed the current status of delinquent owners, it looks like we will be forwarding a a recommendation to the BOD to forward a total of approximately 39 property owners representing 64 lots to collections.

# 3. Review status of AR Report and past due amounts collected via our increased efforts since 1 June 2022.

There were some unexplained credits on some of the accounts, so Claire has asked for an explanation for ACS-West. Since the next Board meeting will not take place until 12 November, we will wait for one more final AR Report before determining final Collection % and how many accounts need to be forwarded to Collections.

#### 4. Review current Payment plans for update to Board of Directors.

One owner that currently owes \$761.00 has sent in a \$25.00 payment along with a letter indicating they want to establish a payment plan of \$25.00 per month as that is all they can afford. Since even without an increase in annual assessments, at \$25.00 per month it would take in excess of 30 months to pay off the account during which time they would be incurring a minimum of \$540.00 in additional assessments, the Committee would need Board approval to accept such a payment plan as it exceeds current of the authority of Collections Committee.

We will encourage future requestors of payment plans to use direct deposit or auto-pay.

# 5. Identify number of lots we are still missing owner information for mailing assessment bills to.

The really great news story is that we have researched and attained current owner billing information for all but approximately 6 owners that we still need correct bill mailing address for. Ed is going to research county records.

6. Deb and Claire reviewed all of the lots and identified the GIS Plat #'s to provide to Ed so he can conduct the required Title Searches.

See above 6 owners.

7. Next Collections Committee Meeting scheduled for Friday 11 November at 4:00 pm in clubhouse and via ZOOM.

#### Communications Committee Report: No Report

#### Dock Committee Report:

- 1. Collected \$40 for Dock Keys the last 2 months.
- 2. Have 2 estimates for tree removal at the marina

#### **Documentation Rewrite Committee Minutes:**

#### **DOCUMENT REWRITE COMMITTEE MEETING 10/26/2022**

Members in attendance: Bob Burrus Kathy Craven Jean Ehlman Carol Greenwalt Ed Krill

After some debate, the committee decided that only a majority of the original lot owners who vote will be needed to amend the Declaration in the future. This is consistent with state law that allows Property Owner Associations to determine appropriate thresholds. ((See Section 55.1-1829 (d) of the Property Owners' Association Act).

Also, we recommend having such amendments, if passed, to become effective when recorded.

We also inserted language to allow for electronic transmittal of notices as authorized by state law.

Tonight's meeting concluded our debate on suggested changes to the Declaration. Ed Krill volunteered to review our draft changes for compliance with state/local laws.

Our next regularly scheduled meeting is November 9, 2022.

#### **DOCUMENT REWRITE COMMITTEE MINUTES 11.9.2022**

Members in attendance: Bob Burrus Kathy Craven Jean Ehlman Travis Gibbons Carol Greenwalt Ed Krill

Ed Krill is still reviewing our suggested revisions to the Declaration to determine whether we are in compliance with the Property Association Act and Non- stock Corporation Act.

We began our work on updating the By Laws. We added to Section 1 the following:
1.2 <u>Compliance.</u> Every owner and all those entitled to occupy a lot shall comply with these ByLaws.
1.3. <u>Office</u> – The principal office of the Association and its registered agent may be designated from time to time by the Board of Directors

#### <u>Article 11 – Membership</u>

We changed Section 1 to read: Membership in the Association shall consist of every person or entity who holds a legal or equitable interest in a lot in CBTB, except that any such person or entity who holds such interest merely as a security for the performance of an obligation shall not be a member. Section 2 – after the word Declaration in the first sentence we added "and by laws of the Association and deleted the rest.

Section 3 - Last sentence we added the word "also" after privileges are. And then we added a sentence at the end to read: Such rights may be suspended by the Board of Directors and are also subject to the member's right to appeal.

We eliminated Section 4.

<u>Article 111</u> – We added a section 3 to include electronic rights. The exact verbiage to be voted on at the next meeting.

We canceled the meeting scheduled for November 23 since it's the day before Thanksgiving. Our next meeting will be December 7, 2022.

#### Finance Committee Report: No Report

#### **Golf Committee Report:**

Three flagsticks have been purchased for the golf course. They were damaged by the mowers.

In December, the flags & flagsticks will be taken off the golf course and replaced by the old flagsticks for the winter months. They will be replaced in the spring. This is done every year to preserve the newer equipment.

<u>Disc Golf</u> will be introduced to CBTB by CBTB property owner David Hamer in March, 2023. He would like other CBTB property owners to E-mail him at:

<u>davidhamer4160@gmail.com</u> if they are interested in learning how to play so he can set up dates to meet and play. The equipment will be stored in the pavilion storage area when not being used.

Some CBTB property owners have already volunteered contributions to get this fun sport introduced to the property owners. Others interested in contributing, please contact David Hamer.

C. Jean Ehlman, CBTB Chair

#### Pool Committee Report: No Report

- 3. Have a proposal for a 3 year contract with Mo & J's mowing service. Waiting for Boards approval.
- 4. I will be going around to all roads with contractor to assess what roads will be needing repairs.

- holiday decorating contest- grab your lights and decorations and show your holiday spirit outside! Judging will take place on Dec.18th. Prizes will be awarded!

#### Club House

- the clubhouse is rented for a private party Saturday the 12th from 12-6
- big thanks to everyone who is locking the doors

#### Tennis Committee Report:

The courts repair project has been completed and we again have beautiful courts to play on, thanks to Tennis Courts, Inc. This project was no cost to the CBTB Assoc. Please read the court rules again posted on the fence at the courts. Wear soft-soled shoes when entering the courts, sign up on the courts sign – up sheet on the fence so we have a record of court usage, take your trash with you, and remember to lock the gate & the deck box lock when leaving the courts. Stack the chairs near the fence. C. Jean Ehlman, CBTB Chair
