

# CLUBHOUSE ONLINE CONTEST

I've decided to bump our Clubhouse Online up a notch and start a contest to get our Mentees engaging in the website and providing feedback. So here's how it will work...

I am creating a treasure box of prizes! In this box will be fun items, toys, activities, gift certificates etc.

For each of the following you can get points. When we go to do the prize draws, the person with the most points can go first and on down. I will keep track of points. Any points under 100 will get you a prize. However, for EVERY 100 points you get to draw an additional prize. (100 points gets 2 prizes, 200 gets 3 etc).

1. Each week there will be something in the "challenge of the week" section. If it's a riddle, send me your answer. If it's another sort of puzzle, send me your answer or a picture of your solution. Every correct answer gets you a point.
2. I will be using a secret word somewhere in my video each week. Watch closely and find when the secret word is used. Send me your answer for 2 points. The secret word will be told in introduction of the video.
3. This is Mr Owl. You may have seen him in the Clubhouse. Find him in the video and/or on the webpage for another point.

4. Send me a message on the Clubhouse online comment form about what you liked about the webpage or video for 2 points!
5. Send me a picture of something you've made (craft/food/art etc) or you doing something that makes you happy, for 3 points! (2+ bonus point if it's something I showed you on Clubhouse Online).
6. Send me a letter/art/ANYTHING in the mail for 10 points!
