

Welcome to the 2016 – 2017 Cypress Head Men’s Golf Association

MGA – Presidents Message 2016-2017

To My Fellow MGA members:

I am humbled that you have shown the confidence in me to lead the MGA as your president for another year. As I look back on the past year, I am grateful to have had the support of such an excellent executive committee, as well as numerous volunteers on all of the committees to keep us running smoothly. We have worked hard to develop an excellent relationship with the management of the Golf Club at Cypress Head, as well as the City of Port Orange. I will continue to nurture these relationships as we go forward into the next year.

Our “Honor the Police” day at the end of last year was a great success, and it has prompted me to set a goal for the next year to pursue additional opportunities for recognition of other groups that are important to our community. I urge you all to give this some thought and let the executive committee know of ideas you may come up with.

Our MGA website continues to be an excellent communication resource for us, and I have enlisted the help of one of our talented members to help us to improve both the usefulness and aesthetics of the site. If you have any thoughts on how we can accomplish this, please don’t hesitate to let us know.

On a sad note, we lost one of our valued members this past year, John Mahoney, and he will be dearly missed. On the positive side, we have an excellent executive committee, competent committee chairs, and hard-working committees that will help us to continue to make the MGA great.

Thanks again for your support, and let’s have a great 2016 – 2017 season.

Tony Delmonte - President
