## Topics for Discussion

---

BC agreed to pay half of sound system for the gym.

BC agreed to pay for a new water fountain in the gym. Estimate is \$1,000.

Sheila to discuss with Admin if having a gun raffle would be an acceptable fund raiser. Looking at 3/3 or 3/17 as tentative dates for fundraiser.

Looking to replace cooler in the gym concession stand. Approximately \$3,000 for a new 3 door cooler. This would replace the cooler and the refrigerator in the concession stand. Need to check price on a used one or consider carrying Coke products only and just getting a cooler free from Coke.

Other potential initiatives to support:

AC for the gym

New score board - Sheila to check the cable and possibly get a new one if possible to resolve the issue.

Marquee – estimate of \$11k - \$15k
