Getting to Know You!

Our "Getting to Know You!" series continues this month with our introduction of
Sr. Adelaide Link and Sr. Rita Kruthaupt.

Sr. Adelaide Link

For some 67 years, Sr. Adelaide Link has been a Franciscan Sister of the Poor predominately ministering to the People of God as a Social Worker. For close to 40 years, she has served and lived among minority populations in Brazil, Senegal and Native Americans of the Southwest. She has consistently lived by a spirit of

loving acceptance of the other. In most recent years, Sr. Adelaide is involved in a wide range of volunteer efforts including guardianships, parish RCIA, ministry to women on the street, health education and assistance to the sacristan. Sr. Adelaide lives the Gospel with endless generosity and a focused energy of her person that supports the most vulnerable of our society. Sr. Adelaide's living mantra is: Be peace! Give peace!

Sr. Rita Kruthaupt

A native of Indiana, Sr. Rita Kruthaupt has been a Franciscan Sister of the Poor for 68 years. She is one of twelve children and likely has many memories of a shared childhood. Her early education was focused on history which was put to use to as an educator in our high school. A bit later, Sr. Rita served as a teacher

and care provider in Brazil for a few years before returning to the States to undertake becoming an Occupational Therapist. As a Therapist, Sr. Rita ministered to many varied populations and ages over some 23 years in the field. In more recent years, Sr. Rita has devoted her energy to prayer and freely shares her spiritual richness by offering programs and group retreats with others. She always has a smile and a kind word to offer others.

A good father is
one of the most
unsung,
unpraised,
unnoticed,
and yet one of the
most valuable
assets in our society.
-Billy Graham-

Did you know....?

Father's Day is celebrating its 100th Anniversary this year on June 19th. It all began when a young woman wanted to honor her Dad. In May of 1909, Sonara Smart Dodd of Spokane, Washington was sitting in church listening to a Mother's Day sermon when the thought came to her of honoring her Dad. Sonara's Dad was raising a newborn plus Sonara's four siblings since her Mother had died in childbirth. In her heart, she knew her Dad needed to be recognized for his loving care for all of them.

It was in 1922, then President Calvin Coolidge supported the recognition of Father's Day in order to encourage a closer relationship between fathers with their children and to recognize the responsibilities of fatherhood.

President Johnson issues the first presidential proclamation honoring father's in 1966. However, it was not until 1972 that President Nixon signed the public law that made Father's Day a permanent holiday. Now you know!

Sock-it-to-Me! Update-62 pairs Donated!

Can you offer some “Sole Relief” to the children, women and men of Haiti? Lack of footwear and socks among the poor leads to parasitic diseases, infection and foot trauma.

Children often have only one pair of socks, if any, for school and church. During the months June—November, we will be collecting **new socks** for the poor residing in Port-a-Prince.

Please drop your sock donations in the basket located in the back of the Chapel.

Summertime Peace

Getaway vacations often provide a restful and peaceful oasis from the demands of our everyday lives. Unfortunately, not everyone has the luxury of traveling elsewhere for renewal and rejuvenation. However, this does not mean there is no hope for the weary soul. Here are few stay-cation options that may help you find your way to peace, joy and gratitude.

1. Backyard Camping Trip

Have yourself a great outdoor experience sleeping under the stars.

2. Go Sightseeing

Check out your local museums, science centers, or unique attractions.

3. Have a Thrifting Day

Grab a friend and find all of the vintage and thrift stores in your area. Find great deals and take home a little piece of history.

4. Visit your local library or Friends of the Library -

Have a reading vacay. Go to the library, let you imagine roam and get caught up in a good adventure.

5. Do Nothing

Don't plan anything, take it easy, and see where the day takes you. Feel free to start each day as a blank canvas—it is the ultimate luxury!
