LIBERALS SWEEP TO VICTORY IN JACQUES CARTIER LASALLE

RAYMOND ROCK, successful Liberal candidate in Jacques Cartier-Lasalle, is shown with his wife leaving his campaign headquarters on Monday night for a motor parade through the riding.

Aids Local Aldermen Municipal Conference

Aldermen Glencross, Milson, Raymond and Samson have returned home after representing Dorval at the 25th annual conference of the Canadian Federation of Mayors and Municipalities held in Winnipeg last week.

The conference started early Monday with more than 700 delegates from cities across Canada and some representatives from United States municipalities.

Following an official welcome by the Hon. Walter C. Weir, Manitoba Minister of Municipal Affairs and Mayor C.N. Kushner the Federation President, work commenced on some 60 resolutions which were submitted for consideration.

Simultaneous seminar sessions Tuesday included "Problems of Area Redevelopment", "Planning and Financing of Urban Transportation", "Municipal Tendering Practices and Experience" and "Problems of Municipal Financing".

On Wednesday Mr. T.J. Plunkett, Municipal Consultant and a former town manager of Beaconsfield led discussion on Productivity, Employment and Urban Prosperity. At the same time consideration was given to "Problems of Mixed Rural-Urban Regions." "Centennial Year Planning and the Municipality's Responsibility for Financing Costs of Education, Hospitals & Welfare."

The Session on "Municipal

Employee and Employer Relations" stressed the role of the personnel officer, collective bargaining negotiations, content of municipal agreements and the need for intermunicipal cooperation.

This together with the discussion on Federal-Provincial-Municipal relations were considered to be the most pressing problems faced by municipalities.

Rev. Hugh Patrick Kierans, Rector of St. Paul's College in Winnipeg, who delivered the key-note address stressed the importance of elected municipal representatives accepting, along with their other duties, that of moral leadership.

He said in part, "The dignity and significance of municipal office finds its greatest symbol in the elected official. They must merit the public respect and recognition which should be attached to their role and office. Many competent persons fail to run for reelection because the public does not appreciate the sacrifice they make in order to hold public office. Others are deterred from entering municipal life because of the cynicism with which many people view those who are engaged therein."

The conference ended on Friday with the election of officers, when Mayor J.A. Mongrain (Three Rivers) was elected president of the federation.

by Alderman Glencross

Car Accidents Take Two Lives One In Hospital

A 21-year-old Lachine driver was killed and his 22-year-old passenger was injured when the car in which they were driving struck a pole on Lakeshore drive at Lepage avenue, Dorval, Saturday.

The dead man was Ted Golding, of Broadway, Lachine. The driver, Barry Tennant, of Delmar avenue, Pointe Claire, was taken to Lachine General Hospital with serious injuries.

Another Lachine man was killed Saturday when his car struck a tree on a Chateaugay highway.

He has been identified as Robert Custom, aged 24, of 750 - 15th avenue.

MAJOR REPAIRS SET FOR ROADS AND SIDEWALKS

Major road re-surfacing, together with repairs to curbs and sidewalks in some parts of the city, is to be undertaken by Dorval City Council in July.

Plans are underway and a by-law is in the course of preparation for certain areas to be included in the list of areas affected.

Cost of the work is expected to be \$100,000.

RIGHT WAY IS WITH RAY SAY MAJORITY OF VOTERS Pratt Loses In Party Battle Personal Popularity Still High

Raymond Rock, Lachine alderman, is the new representative in the federal government for the riding of Jacques-Cartier-Lasalle. He defeated former M.P. John Pratt by a vote of 33,628 to 27,750. J.C. Tremblay, the NDP candidate, polled 7,106 and Henri Naud of the Social Credit trailed with 1,746 votes.

Political analysts concede that the vote was not against Mr. Pratt, but against the party. His personal popularity was never in doubt and his defeat was one of the big surprises of a surprising election. In fact Mr. Pratt, who, it is understood, had at one time turned down a cabinet post in order to keep closer to his constituents, would again have been in line for a top position in his party.

Mr. Rock claims he was not surprised at the result but that his party was. According to one published statement he was not invited to the Liberal Reform Club celebration because they did not think he stood a chance.

After his election Mr. Rock said, over radio station CFOX, "I always felt I would win the election. I thought I would have a 4,500 majority but it's even bigger than that."

"I want to thank my organizers and workers," added Mr. Rock pointing out that all work had been done on a voluntary basis. "They did a good job."

Mr. Pratt, undoubtedly disappointed at his defeat, was nevertheless in a reasonably cheerful mood at the overall result and said, "It appears that the government will remain unchanged for the present but I feel we will have to wait and see what the final results show."

The former M.P. then expressed his thanks to his many organizers and workers who had put in so many hours on a purely voluntary basis.

He continued, "I would like to express appreciation for the warm reception I received on station platforms, at coffee parties and everywhere I met voters."

"I extend my congratu-

lations to Mr. Rock and I wish him good luck, which I feel he will need in the somewhat rarified atmosphere in the nation's capital," concluded Mr. Pratt.

Of interest are the results in the various areas of the riding. They show, according to committee room reports on election night, that Baie d'Urfe and Beaconsfield, which in the previous elections had swung to Mr. Pratt, this time moved over to the Liberal banner. Dorval and Pointe Claire, however, were staunchly for Mr. Pratt. The North shore took a decided swing to Mr. Rock while Lachine and Lasalle followed much the same trend as in previous elections with Lasalle supporting Pratt to a slightly stronger degree.

Citizens Help Needed To Control Ragweed

An appeal to residents to keep ragweed under control as far as possible, and to clean up lots under their control, has been sent out from City Hall.

Under a by-law passed by the city a year ago, it is an offence punishable by a substantial fine, to allow vacant lots to be used as a dumping ground for scrap iron, weeds - especially ragweed - branches, bush, rubbish, papers, empty bottles or the like.

The by-law was passed following several reports of unattended lots dotted through the city.

The by-law permits the city to caution an owner and then do the work itself if no attention is paid to the notice. Should the city be compelled

ENCOURAGEMENT, YES -- BUT

It has always been our policy to encourage local enterprise. Shopping locally gives the city a two-edged benefit and, in the long run, benefits taxpayers, too, by bringing in revenue and by aiding the local employment situation.

But we draw the line there. When it comes to giving local businesses large public works contracts without inviting competitive bids from outside, that is another matter.

No doubt Ald. W.C. Milson's suggestion that a contract for some local works be accepted from a local contractor, had merit. He must also see, however, that it could boomerang to the detriment of the city at large.

Difference between the lowest tender accepted and the local firm was scant. We accept, too, that the work of the local man, who has a reputation for quality, would have been done to the satisfaction of all.

Rejection by council of Mr. Milson's suggestion, however, was, in our view, the only wise course.

Until a better system can be devised the tried and true practice of calling for tenders and accepting the lowest consistent with quality of workmanship, is the right one. It is one which Dorval has followed for some years.

REMEMBER THE CHILDREN

We hope Mr. Alexis H. Nihon was not too serious in his warning that he will take the recreation area bearing his name away from City Council.

If he does it will not be Council which will suffer so much as the many children who will be looking forward to resuming their battles on the sports field during the long vacation.

We can understand Mr. Nihon's anger when he claims that he was not given the courtesy of a notice that zoning by-laws connected with some land his company owns, had been changed.

No slight was intended we are sure.

For the sake, therefore, of the children, we hope this controversy can be resolved.

CROWDS AND CROWDS

Remarkable interest is being shown these days in Dorval City Council activities. For the past few weeks the public gallery has been crowded, while in other weeks few empty seats have been filled, awakened to the need for vigilance and that its duty does not end with a mark opposite a man's name every three years.

Mayor Pratt, who has urged the public time and again to take more interest in its own affairs, must be pleased. So, too, we hope, are the aldermen.

Some contentious legislation has been on the agenda recently; there is more to come. It is to be hoped, therefore, that the longer nights and sunnier weather will not keep the people away.

DOING A GOOD JOB

Dorval's Civil Defence Group, which came in for some criticism and no little derision soon after it was formed by one-time alderman George C. Goodale, has a record to be proud of.

From nothing it has grown to laudable proportions, and judging by the report presented to a recent council meeting the city has a hard core of trained, dedicated local citizens ready for any emergency.

Thanks for this can go to the volunteers themselves and the men who trained them, notably acting Police and Fire Director P. Gariepy, the co-ordinator, S. Magee, deputy co-ordinator, Mr. Goodale, who is still chairman of the group, and Col. Lloyd George and Col. H. Hurdle and Mr. R. Viberg, among others.

More classes are being arranged for the future, and for those who do not forget easily, many of those showing interest are the very people who were helped during the ice storm of 18 months ago.

If anything proved the need for a CD group, that did.

CHURCH NEWS

Rev. Donald L. Campbell, Minister of Westminster Presbyterian Church, Pierrefonds de St. Genevieve, will be speaker at the open-air church service at Dorval Gardens Shopping Centre at 8:00 p.m. next Sunday. Topic of his sermon will be "Chaos, culture and Christ". The choir of Westminster Church will take part.

MAYORS MUST GIVE MORAL LEADERSHIP

(Ald. Gordon Glenross has just returned from Winnipeg, where he attended the convention of Mayors and Municipalities as representative of Dorval City Council. These are his impressions of the convention).

The convention has finished; the hustle and bustle over. Most of the delegates have gone now as I write and the lobbies in the hotel are quiet. This is time for quiet reflection.

This convention we have been privileged to attend has been stimulating to me personally. To meet and to talk with others from all across this great land of ours and to hear problems discussed that are so familiar, and to see and to hear some of the approaches and solutions suggested, has been interesting.

To pick the one seminar or discussion that was of particular interest is not easy as most were good while a few were outstanding.

One which sticks in my mind and returns to my thoughts more than any other was a luncheon address by Rev. Hugh Patrick Kierans, Rector of St. Paul's College, Winnipeg.

He described his own feelings addressing the group as like a New Democratic Party candidate addressing the College of Physicians and Surgeons on the west's Medicare Plan.

To mix politics and religion seems far fetched when we read the newspapers sometimes. To have heard this very inspiring and timely address to this particular audience left a real sense of proportion in all who heard him, and left me with the feeling that this was probably the most outstanding point in the conference.

To attempt to give a summary would be folly.

He opened by saying that the world seems a place of incredibly accelerated change and unimaginable possibilities, and referred to the U.S. spaceman as a "new Columbus and symbol of the exploding energies that are transforming the material conditions of human life."

He went on to discuss "the wonders of science and technology, the changes they have wrought."

But, he said, terror was not the darkest side of the legacy of the Second World War. "Darker, far, is the legacy of moral ambiguity and of moral corruption."

He felt the decline in public morality, in plain common honesty and decency was enough to cause any reasonable man alarm.

He felt that the mayors of Canada were, of all public men, those most eiling and able to provide the moral leadership the times required.
 "For the moral prestige of the office of amyor is immense; and the moral influence he can assert in his own community can make itself felt in every corner of human life."

Letters To The Editor

Dear Sir:
 In recent issue of your paper you wrote, in connection with the Protestant School Board elections, that "the majority of the present School Commissioners believe that with additions being made to Lachin High this summer, accommodations will be sufficient to meet all the demands of the area". I wish to point out that the reverse is true. For the past three years the Lachine Board has been unanimously of the opinion that plans for a High School in Dorval should be

MAYOR JOHN PRATT of Dorval inducted the incoming executive of the Dorval Chamber of Commerce at the regular monthly dinner meeting at the Green Lantern. From left are T.D. Lodge, vice-president, C.E. Larose, president, J.A. Vibert, vice-president, and Mr. Pratt. Also inducted were C.F. Hamilton, secretary-treasurer, and directors S. Vistarchi, J.L. Bussiere, G. Demontigny and H. Shover.

YMCA Appoints Trained Staff For Day Camp

Day Camp Meadowbrook, a special program of the Lachine-Dorval YMCA has been in operation on the lakeshore for many years. In the earliest days swimming was taught in the lake at 45th Avenue, Lachine.

With the present large housing developments a camp program is no longer feasible within the boundaries of Lachine and Dorval. A country campsite is essential to the operation of a unique and exciting summer program for boys and girls. The YMCA campsite on Ile Perrot, complete with swimming facilities, groves of trees and open fields is an ideal location.

More important than facilities, though, are the people responsible for the health and safety of children in a camp program. To insure a standard that will meet with a parent's full approval the YMCA employs a well trained and competent staff. This year's camp will be under the direction of Mr. Jack Organ, Youth and Boys' Secretary at the Lachine Dorval YMCA. Assisting Mr. Organ will be Miss Sydney Zink, assistant secretary of the Lachine-Dorval 'Y' and Mr. Ron Ness and Mr. Mel Cockhill, teachers from Lachine High School.

Miss Zink and Mr. Ness hold the responsibility of directing and aiding the counselling staff in carrying out the work of leading 8 to 12 year old boys and girls in a camp program. Mr. Mel Cockhill, a biology teacher by profession, will be directing program for the camp. It is Mr. Cockhill's goal to provide interesting activities for children that will give them a chance to enjoy nature and the out of doors.

Swimming is a valuable part of every camp program. Four lifeguards under the supervision of the waterfront director Mr. Pentti Luomala will be looking after the safety of the campers as they participate in instructed and recreational swimming.

With the aid of this competent senior staff and willing volunteer counsellors the Lachine-Dorval YMCA is confident that it offers boys and girls of the community a planned summer program of value to all who participate.

The camp will operate every Monday, Wednesday and Friday from July 2nd to August 10th.

Further information is available by calling 637-2511, the Lachine-Dorval YMCA.

A CHEQUE FOR \$3,000 has been donated to Lachine General Hospital by the Scholler Foundation, a U.S. based organization which has contributed to many Canadian institutions. Our picture shows Grover C. Furr Jr., president of the Lachine General's board of management accepting the cheque from William Jackson Jr., president of Scholler Bros., Ltd., of St. Catharines, Ontario, in Montreal.

Lachine General is in process of an expansion and modernization programme providing for an increase from 76 beds and 20 bassinets to 140 beds and 33 bassinets, enlargement and modernization of clinical and domestic facilities, together with the establishment of other new services. Work on this major programme is expected to begin within the next few weeks.

Library Closes For July Reopens Aug. 2

The Dorval Civic Library, 60 Martin avenue, will be closed during the month of July. All books borrowed prior to June 14 must be returned by June 29.

Books will be loaned for the holiday period.

Mrs. Ann Lachance, librarian, points out that membership in the library is open to all and new members will have the same privilege of holiday book borrowing. She suggests that anyone wishing books for July should come to the library now and select books for summer reading pleasure.

The library will re-open on August 2.

UNIVERSITY WOMEN MET IN QUEBEC

The annual meeting of the Canadian Federation of University Women was held at Laval University, Quebec City last week. Members and representatives were received from all across Canada, to mark the 44th year of the Federation of University Women's Clubs.

Miss Margaret McLellan of Ottawa, president of CFUW, addressed delegates from the 106 Canadian University Women's Clubs. Her subject was, "CFUW - New Horizons in International Understanding".

Amongst many subjects discussed were the \$9,000 paid out last year in scholarships, career counselling for Canadian girls, the rights of the child, the rights and resulting obligations of women, and the International Federation of University Women triennial

Council Plans 4:30 p.m. Start For Meeting

Dorval City Council was expected to set a precedent today calling a special late afternoon meeting rather than the normal Friday evening meeting.

Aldermen have been called together for 4.30 p.m. to open tenders for the filtration plant, which is to cost in the region of \$1,000,000.

Reason for the early start is for the benefit of contractors who have entered bids for the work.

VOLUNTEERS NEEDED BY RED CROSS

To meet the requirements of hospitals 4,000 pints of blood must be collected each week, and to meet this demand Red Cross urgently needs volunteers to assist in the telephoning of donors for appointments. During the summer many Red Cross volunteers are on vacation and replacements must be found.

Anyone wishing to assist should apply by telephone, WE 7-7761. Young women between 16-18 who are free from studies during the summer would be most welcome.

meeting to be held in Mexico in July. It was concluded that the interests of Canadian university women are not just national wide, but world wide.

The members of the Montreal Lakeshore University Women's Club attending this meeting were Mrs. Margaret Manson, provincial director of English clubs, Mrs. Marybel Monty, president, Mrs. Nan Sheldrick, past federation representative, and Mrs. Beverley May, publicity chairman.

FOSSILS AID YOUTH WORK

The annual meeting of The Fossils Club of Montreal was held in the reception room of Molson's Brewery last week. Retiring president, E.G. Kirwan, in announcing the donation of \$10,000 to youth work in the current year, said the total of Fossils contributions since 1946 is \$100,075.00.

During the year the following youth organizations were aided: Montreal Boys Association, Boy Scouts, Wolf Cubs, Camp Amy Molson, Trails End Camp, Diabetic Camp for Children and the Junior League Camp.

Officers for the 1962-63 season are: President R.P. Sargent, vice-presidents G. W. Leet and F.A. Dawson; secretary Fraser MacDonald; treasurer Jay I. Rabinstein.

"...we bought it through MY BANK"

Many families are launching themselves into a summer of fun by financing the boat of their choice through the Bank of Montreal Family Finance Plan. This low-cost, life-insured plan is the sensible way to finance major purchases of many kinds for all the family. Ask for full details at any branch of "MY BANK".

The announcement of the Park Leaders program for the coming season, sparked my interest in the plans for our children and young people. A chat with Miss Libby Laurie of the Parks and Playground Department was most informative. We parents of Dorval can be assured that the children will enjoy an active and interesting program while on school vacation.

Sports, handicrafts, dances, and outings will be on the program. The order children will be happy to hear that equipment and supervision will be available in the larger parks to encourage them to take part in track and field events. Each year Dorval sends representatives to participate in an inter-city track event. To date we haven't done too well in bringing home the laurels. It is hoped this new approach will get our budding young athletes in trim for this Annual event!

A junior sports day with an Indian theme will be held for the younger set. Parks will be grouped as tribes and suitable games will be played.

A "Bicycle Rodeo" is being planned and it will be held in one large area rather than on the streets as last year. The skill and aptitude of cyclists will be tested in this event.

The handicraft plans sound very exciting, with clay moulding an innovation to the summer program. Last winter, in the art classes, moulding was a popular mode of expression. Copper craft and mosaic work will also be featured.

All in all we must say again how fortunate we are to live in a City where so much is offered in the way of recreational facilities.

The Boy Scout paper drive for eastern Dorval will take place this coming Saturday, June 23rd, from 9 a.m. to noon. Don't forget to have your papers on the balcony, and parents, try to get out with cars to help the leaders. This will be the last drive until Fall.

How many of you noticed a page in one of the daily papers recently on symbols replacing words on Quebec roads. These bold, new symbols, replacing bilingual signs will soon be familiar on our roads and highways, with the program to be completed by 1967. During a trip through Ontario recently we had an opportunity to see the symbols in use. It will take a little while to become familiar with them, so use every opportunity to learn the meaning of each symbol as the old signs are replaced.

Well, we're back trying to water our lawn according to the time schedule set down in the by-laws! Since it is the custom of most of us to try to live within the law, we plan a routine something like this.

Lay the hose out at night, set the alarm for 9 A.M., (after you have arisen, of course!) turn on the hose promptly. The morning chores come up and before you know it the limit has passed! Where do you go from here, you have an evening date, or would like to go to bed early? At the moment all I can say is it's very frustrating in this castle in which we live!

Have you heard the latest definition of a cynic? It is a man who knows the price of everything and the value of nothing.

REFRIGERATOR ROLLS ARE EASIEST

Refrigerator rolls and breads rank among the easiest yeast treats to make. Most refrigerator doughs require no kneading, and no rising before they are chilled. They rise the first time in the refrigerator where they need no watching or time-checking. To store properly, place the dough in a large bowl, grease the top and cover it com-

pletely with foil or waxed paper, pressing the cover right down on the dough. As it rises, occasionally adjust the edges of the cover, if necessary, so that the dough is not exposed to air at any time; this prevents drying out. Temperature of the refrigerator should be from 40 to 45 degrees for best keeping.

Cleaning Process Receives Approval

The Sanitone drycleaning process has just been awarded the Chatelaine Magazine "Seal of Approval" in Canada. It is announced by Harold F. Chord, manager of the Sanitone Division of Emery Industries (Canada) Ltd. Significance of the Chatelaine "Seal of Approval" is explained by Miss Carol Taylor, manager of the Seal of Approval department of Chatelaine Magazine.

When you see a product bearing the Seal of Approval, you know that Chatelaine has thoroughly tested this product and has found that it is of good quality and fulfills all claims made for it. "Miss Taylor says.

Speaking for Sanitone, Mr. Chord said: "We at Sanitone are delighted that the long history of high quality that has marked the development and perfection of the Sanitone drycleaning process has thus been officially recognized.

"It is equally gratifying to Sanitone's many licensees in Canada like The Dorval Cleaners who have been authorized to use the process only after having been carefully screened as to their plant policies, emphases on quality and everything that goes to make a dry cleaning operation stand out from ordinary routine operations.

Your future..... is our business today.

NEWLYWEDS IN NASSAU -- Mr. and Mrs. William Harker of 316 Clement Ave., Dorval, stroll through the sunny gardens of Nassau's Montego Beach Hotel following their marriage May 19 at St. Paul's Church, Lachine. The bride is the former Anne Hughes, daughter of Mr. and Mrs. Herbert Hughes, 760 43rd Ave., Lachine. He is the son of Mr. and Mrs. Gordon Harker, 316 Clement Ave., Dorval.

Plain Or Fancy Strawberries Are Here To Eat

June is a month of weddings and graduations. It is also a month looked forward to with eager anticipation by all strawberry lovers, for this is the time when strawberries are at the peak of their perfection throughout most of Canada.

Luscious, red strawberries look so good that long before the first bite, one's taste buds start to tingle. Fortunately, the flavor lives up to the "packaging", as this recipe for Glazed Strawberry Cream Tarts demonstrates.

A pastry mix may be used to make the tart shells, while the creamy filling is based on an instant pudding mix. Glazed - Strawberry Cream Tarts Yield -- about 10 large tarts, 1 pie Paste, 2 cups cold milk, 1 package (approx. 3-5/8 ounces) vanilla flavored instant pudding mix, 1 quart fresh strawberries, 1-1/2 tablespoons corn starch, 1/2 cup granulated sugar, 1/2 cup water, Red food coloring.

Preheat oven to temperature called for in pie paste recipe. Invert about 10 tart pans or aluminum foil pans (about 3-1/2 inches top inside measure). Prepare pie paste made on a 2 cup flour basis or with sufficient pastry mix to make a 2 crust pie. Roll out paste thinly and cut into 4-1/2 or 5 inch rounds, using a saucer or small bowl as a guide. Place a round of paste on each inverted pan and shape it to fit the pan. Prick with a fork. Bake in preheated oven until golden Cool.

Measure milk into a mixing bowl. Add vanilla flavored instant pudding mix; beat 1 minute. Turn into cooled tart shells. Chill until set.

Wash and hull berries. Thoroughly mash sufficient berries to yield 1/2 cup. In a small saucepan combine corn starch, sugar, the 1/2 cup crushed berries and water. Cook, stirring constantly, until the mixture comes to the boil; boil 1 minute. Halve the remaining strawberries and arrange them, cut sides down, over cream filling. Press the hot strawberry mixture through a fine sieve; tint rather deeply with red food coloring and spoon over berries. Chill.

Barbara Parker Delegate To U.N. Youth Pilgrimage

Astronauts of both the United States and the Soviet Union having made successful orbits of the earth, how will these nations cooperate with the U.N. Commission on Outer Space? What of the Congo situation? Will Indonesia and the Netherlands solve peacefully their controversy over New Guinea?

How these and other up-to-the minute questions of international importance and grave individual concern are being faced will be learned this summer by 11,000 young people taking part in the annual "United Nations Pilgrimage for Youth", a continental project for youth sponsored by the Odd Fellows and Rebekahs of America. Barbara Parker of 54 Elmwood Ave, Valois, is one of a group of young people chosen from this area to take part. This is the thirteenth consecutive year of these Pilgrimages for youth to New York. The delegates are 16 or 17 of age, becoming Juniors or Seniors in high school this fall. They will come from every province in Canada, and every state of the Union. Far off Australia is sending representatives for the first time.

Barbara will take part in the fourth period, beginning in New York City July 1. She attends John Rennie High School, and is sponsored by Lakewlew Rebekah Lodge No. 47. Others in this province selected for this year are from the Eastern Townships.

SOCIAL & PERSONAL

631-1628

It was with deep regret that the many friends of the late Mr. Georges "Pop" Legault learned of his death last Saturday. "Pop" who was the faithful attendant at Neptune Park for many years, suffered a heart attack early last February when he was hospitalized for sometime. He died at the home of his brother and sister-in-law on Sources Road where he had resided. Pop was a bachelor and was in his seventies. Sincere sympathy is extended to the members of his family in their bereavement.

Mrs. M. Jackson, Garden Crescent, entertained the members of her bridge club last Wednesday evening when they held their closing dinner at the Beaver Club in the Queen Elizabeth Hotel. During the evening Mrs. P. Villeneuve was presented with a crib blanket for her infant daughter and Mrs. I.K. Davis, who is leaving Dorval at the end of June, received a farewell gift

from the members of the club. Congratulations to Mr. and Mrs. John Rennie, Meadowbrook Ave., on the recent birth of their son in the Lachine General Hospital.

The W.A. of St. Andrew's Church is holding its Fourth Annual Strawberry Social on Tuesday, June 26th from 6:30 to 8:00 p.m. in the Church Hall, corner Brookhaven and Carson Avenues. This is a dessert party when you are asked to have dinner at home and then bring the whole family over for dessert.

Congratulations to Mr. and Mrs. Marcel Hooper whose marriage took place on June 2nd. Mrs. Hooper is the former Carol Edmonds, daughter of Mr. and Mrs. F. Edmonds of Wright Crescent, while Mr. Hooper is the son of Mr. and Mrs. E.E. Hooper of Dawson Ave. After spending their honeymoon motoring to Illinois, Mr. and Mrs. Hooper have taken up residence at 132 Pine Beach Blvd.

The many friends and neighbours of Mrs. R.C. Kyle, Dubours of Mrs. R.C. Kyle, Du-

ENJOY QUEBEC'S BEST - ENJOY O'KEEFE

"Let's go for a picnic!" Pack a lunch... toss in the bathing suits and you're away! That's easy summer living at its best... warm sun, laughs, and plenty of ice-cold O'Keefe to help with the fun. O'Keefe is the ale brewed with seedless hops for natural mildness. Enjoy summertime pleasures with O'Keefe—it's the natural thing to do.

SAY OK FOR O'Keefe ... THE Mild ALE!

ENJOYING AN EARLY SWIM in Ballantyne Park pool are last week a group of happy water enthusiasts. This Saturday will mark the opening of the other two Dorval pools in Walter's Park and Surrey Gardens Park. The three pools will remain open daily from 10 a.m. to 10 p.m.

Colt League

Opening June 21

The Dorval team in the newly formed Lakeshore Colt League opens its season at Ballantyne Park on Thursday, June 28th at 6:45 p.m. against Baie d'Urfe. The other teams in the League play in Beaconsfield the same night when Beaconsfield is host to Pierrefonds. These four teams comprise the new league.

It had been expected Pointe Claire had planned to enter a team but, arrangements were never completed.

Coach Ian Roussac assisted by Jack Barclay, is expected to field a strong Dorval contender for the league's initial championship. The local entry will have six home games, three to be played Sunday afternoons and three to be played during the week - all at Ballantyne Park. Playoffs are expected to begin in the middle of August. A full schedule of home and away games will appear in this paper next week.

The local team is sponsored by the various community associations of Dorval. The players are aged 15 and 16 and the majority are graduates of the Dorval Little League and Pony League. A great deal of enthusiasm has been

JUNIOR DEVELOPMENT program of the Dorval Tennis Club is shown in action as W.E. Gauthier, left, and Ken Hill, club coach, right, demonstrate technique for young tennis enthusiasts Keven Smith, left and Frank Fuhrman.

shown by the players, with as many as 35 boys attending practices.

The public attending the games will see players such as Robert Joyal, Dave and Cameron Clarke, Billy Green-shields, John Frost, and others from last year's Pony League. Ron Miller, and Don Williams represent last year's Juvenile team.

Ian Roussac expects to carry about 20 players on his team.

There are excellent spectator facilities at Ballantyne Park and league officials hope the public will support the local entry. This will go along way to assure the success of the League's initial year.

A successful first season will encourage the expansion of this league along the Lakeshore.

TENNIS NEWS

The Dorval Tennis Club announced this week that junior members will, for the first time, have competent supervision at the courts from 9 a.m. until noon, Monday to Friday. In charge of this new program will be Louise Vinet who has held the Lakeshore Senior Ladies championship since 1959.

It was also announced that Dorval Tennis Club will play host to the Lakeshore Championship matches this year. The first match is scheduled for June 30. For information, please call T. Finlay, 631-0116, or P. Charlick 631-6371.

FLOWER BOWLERS FINISH SEASON

The closing banquet of "The Flower Bowling League took place on Saturday June 9th, at the Edgewater Hotel.

The Annual Championship Trophy, and the Play-offs, were presented to: "Snapdragons", Peggy Allan, Lillian Barrie, Gordon Graham, Jerry Bell, Gord Hooper. (Captain).

Men's High Average - Gord Hooper.

Ladies' high average - Mary Bell.

Men's high single & triple Jerry Bell.

Ladies' high single & triple Gil Charlebois.

Protect Stereo Records

Record fans may find the mechanics of stereo confusing but it is a good thing to remember that all your old records can be played on stereo equipment, and will likely sound much better. However, this isn't a two-way street; stereo records should only be played on stereo equipment. Conventional phonograph needles will damage your new stereo records. Taking the time to replace your records in their polyethylene jackets is another good way to get the best reproduction. The jacket guards against scratches and dust.

Activites des Guides Et des Scouts de Dorval

Les chefs d'équipes Marielle Roy et José Crowe ont reçu de l'ambulance St-Jean la badge du cours de secourisme, laquelle fait partie des épreuves de 1ère Classe. Francis Dickson, José Crowe, Marielle Roy et Jacqueline Racine, tous chefs d'équipe ont passé leur badge de sacristine. Johanne Dufour s.e. et Carole Lavois, celle d'interprète.

Lors de la vente des fleurs, vendredi le 1er juin, les Guides ont recueilli la somme de \$343.00. Jacqueline Racine C.E. a vendu pour \$23.00 soit la plus haute somme. Le produit est pour la fédération. Marielle Roy C.B., Johanne Dufour S.E. Renée DeCagné, Micheline Lauzon Nicole Rouette, Suzanne Young, Louise Raymond, S. E. Michèle Beaudry, Francis Dickson, C.E. Dianne Clairoux S.E. Lise Fontaine, Johanne Pelletier, Dianne Giroux, Hélène Bourbonnais, Yolande Racine S.E. Renée Marlowe, Claudette Thibault, Paule Raymond, Jacqueline Racine G.E. Dantelle Marlowe, S.E. Louise Vallancourt, Christiane Legault, Dianne Champagne, Marcel Lauzon, Christine Ouellet, recevront leurs badges de vendeuses de fleurs. Une mention spéciale à Dantelle Marlowe qui a vendu pour \$22.00 Louise Raymond S.E. Mireille Hebert et Marielle Roy C.E. \$20.00

La 691ème compagnie Guides de Dorval tiendra son camp d'été sur le terrain diocésain de la Fédération à St-Emile de Montcalm, du 30 juin au 13 juillet. Les chefs d'équipe et la Guide-Maitrise partiront le 28 juin pour un précamp. Avant les départs les chefs d'équipe seront mis à charge d'une journée de campisme, pour initier les aspirantes aux travaux au camp.

Chez Les Scouts
La troupe de Dorval fera son camp d'été au Domaine St-Georges à St-Emile de Suffolk du 1er au 18 août. Le chef sera Alain Garlepy. L'annoncier sera le R.P. Mario Poulin, s.m. Jean Racine, André Roy et André Bufour seront les assistants.

Denis Marsolais et Pierre Bourbonnais ont fait leur promesse scout, mardi le 12 juin et participeront à leur ler camp.

Jean Roy a été nommé chef de la patrouille de spécialisation LaVerendry. Celle-ci entreprend la réparation d'un canot qui servira lors de son camp d'été.

Le camp des Louveteaux aura lieu à St-Adolphe d'Howard vers la fin de juillet et sera dirigé par Jean Thibault, Akela. Félicitations à Roger Buval pour ses badges de religion et de travaux manuels. Les brunois régulières sont maintenant terminées et reprendront à la mi-septembre. Les jeunes voulant joindre le mouvement peuvent s'adresser dès maintenant à Jean Thibault ME 1-3416 ou au R.P. Poulin, ME 1-1883.

La vinté-échange a rapporté un faible succès.

F. Claude, President De l'UNION des Familles de Dorval

L'union des Familles de Dorval tenait récemment à l'école Joubert son assemblée générale annuelle.

Après rapports du secrétaire et des directeurs des différents comités, on procéda à l'élection de cinq membres du conseil d'administration pour remplacer ceux dont le terme de trois ans venait de finir. Furent élus: Madame A. Lauzon, et messieurs Bariteau, Carrière, Gauvreau et Gélinas.

Les quinze membres de l'exécutif nouveau se retirèrent aussitôt dans une salle attenante pour se donner un exécutif de six membres choisis entre eux. En voici la formation:

Président: Fernand Claude V.-Président: Robert Carrière Secrétaire: Mme J. Allard Conseillers: Mme A. Lauzon et M. Gilles Lemoine.

Notre enquête de l'an dernier avait montré hors de tout doute que les parents de Dorval souhaitaient vivement voir se former une ligue de quilles où ils pourraient pratiquer leur sport favori tout en rencontrant les parents des enfants qui fréquentent les mêmes classes que leurs enfants. M. Jacques Bariteau, responsable de l'enquête de l'an dernier demanda donc au nouveau conseil d'administration d'être relevé de ses fonctions de conseiller pour se consacrer uniquement à l'organisation de cette ligue de quilles. C'est maintenant chose faite.

Nous aurons au début une ligue composée de huit clubs formés de six joueurs chaque. Il nous faut donc 24 couples. Le vendredi soir à 9:30 heures nous a paru le jour et l'heure qui favorisait le plus de monde.

Grâce à la collaboration des autoritées du Centre Récréatif nous sommes en mesure de vous promettre des joyeuses soirées, des quilles et des bouilles neuves, et des amis sincères. Tout cela pour un coût dérisoire.

HONNEUR POUR UNE ETUDIANTE DE DORVAL

Mlle. LOUISE SEGUIN, fille de Mme. Alphonse Seguin, de Dorval, graduée en Physiothérapie et en Thérapie Occupationnelle de L'Université de Montréal.

Mlle. Seguin a de plus obtenu le prix du Directeur de l'Ecole de Réhabilitation, décerné à l'étudiante qui, de l'avis du personnel enseignant et des directeurs des stages hospitaliers, réunit les qualités de personnalité et les habitudes de travail les plus précieuses pour l'exercice de sa profession.

Mlle. Seguin fit ses études primaires et secondaires à l'Ecole Joubert de Dorval, sous la direction de la Rév. Sœur Bernadette, I.S.I.S. Mlle. Seguin a déjà signé un engagement avec l'Hôpital Royal Victoria, à Montréal, où elle exercera sa profession.

ALDERMEN

Continued from Pge 1

led to do this, the owner will be billed.

Lt. Col. Innes Fraser, administrative assistant to the City Manager, has pointed out that it is hoped citizens can be led to do this work without coercion.

He said attempts were made last year to point out to citizens their shortcomings in this regard, but the paper work involved was so long that the season was over before the entire city could be covered.

Those who were contacted, however, proved cooperative.

Cours Postcolaires a l'Ecole Normale de Dorval

A la demande du Département de l'Instruction publique, l'Ecole Normale de Dorval, dirigée par Les Filles de la Sagesse, organise, du 3 au 27 juillet prochain, des cours postcolaires.

Ces cours sont destinés aux membres du personnel enseignant, qui détiennent l'un des brevets suivants: élémentaire, complémentaire, classe "C", et qui désirent obtenir le brevet d'enseignement classe "B". Plus de 180 inscriptions ont été enregistrées à date.

Durant cette session, seront données les matières suivantes: Pédagogie IV, Psychologie IV, Histoire de la

pédagogie, de même qu'un groupe de Méthodologies: Sciences, Anglais, Activités dirigées, Culture physique, Dessin, Chant et Solfège.

D'autres cours, en vue de l'obtention du même brevet, seront également donnés, le samedi, durant l'année scolaire 1962-63: Religion, Hygiène physique, Hygiène mentale, ainsi qu'un autre groupe de Méthodologies: Religion, Français, Mathématiques, Histoire et Géographie.

bord Crescent, join in extending to her their most sincere sympathy in her sad bereavement for the death of her mother, Mrs. William Jones, on June 17th.

Congratulations to Mr. Stephen W. Clement, Linnet Crescent, who received his B.Sc. degree from Sir George Williams University at their recent Commencement exercises. Mr. Clement held the Town of Mount Royal Chapter, I.O.D.E. Scholarship throughout his course, and expects to continue his studies in the Fall.

A piano recital by the pupils of Miss Judith Altman will be given tomorrow evening at 7:00 p.m. in the Strathmore United Church.

Among those participating will be Jan Ayerst, Cathy Balla, Leslie Belanger, Joanne Friesen, Jocelyne and Sylviane Gingras, Debbie and Nancy Hoey, Margaret and Bill Huchon, Eva Krasa, Janet MacKenzie, Heather and Allan Maclure, Patsy McDowell, Elizabeth and Irene Miller, Carol Moore, Patricia Mortimer, Lynda Neal, Nancy and Russel Pangborn, Gale Pynn, Harold Rainer, Joan Rutherford, Alan Shaver, Allan Sheppard, Erick Timmerman, Gregor Tirrel, David Verrall and Lindy White.

LETTER From Page 2

proceeded with immediately. The Lachine Board has been continually pressing the Central Board for approvals, and to proceed without delay, pointing out that by the fall of 1962 we will need a High School in Dorval as Lachine High will, by that date, be unable to handle all the boys and girls from Dorval as well as those from Lachine.

One of the Central Board's reasons for not proceeding with the Dorval High School was that there would not be sufficient pupils to warrant a High School, having the full and desirable complement of variations in curriculum, in Dorval until 1966 or 1967. The Lachine Board however, recommended that the new school be used for High School and grade school pupils until such time as all classrooms were needed for High School.

at which time extensions could be built on Courtland Park and Dorval Gardens.

I have been the Dorval representative for only one year, but my predecessor, Mr. John Tatlock, turned over to me his file of minutes of meetings covering the previous five years and these minutes along with copies of correspondence between the Lachine Board and the Central Board bear out all that I have written in this letter.

Very truly yours,

Doug Wilmut
Dorval Representative
Lachine School Board.

The ladies had a fashion show and luncheon in the Quebec Room at the Montreal International Airport before the flight.

PIANO PUPILS HOLD RECITAL

The piano pupils of Mrs. Grace Mitchell, Lakeshore drive were heard in their annual closing recital. The parents attending were entertained by a programme of solos and duets.

Of special interest was the two-piano duet "Country Gardens" by Percy Granger, played by Maureen Elliott and Brenda Mitchell, and a demonstration of an interesting musical instrument, the vibraphone, by Mr. L. G. El-

liott.

Following the musical programme, refreshments were served.

Pupils taking part were Lynda Dullege, Barbara and Richard Langille, Maureen Elliott, Miriam Bartieman, Sharon Hunting and Karen and Brenda Mitchell.
