

Montgomery Moms

President's Note

Aren't these warmer days just wonderful!? I am so excited to get out of the house and have more play dates at the park!

This month we have lots to look forward to with an informative speech about skin care at our next meeting and multiple children's activities.

If you would like to get a bit more involved in Montgomery Moms next year, perhaps start thinking of taking on a Board position. We have quite a few opening up for next year. If you think you might be interested please let me know and we can discuss further. It is the Board members who make this club what it is and this year's Board has been wonderful. I am so grateful for everything they have done!

Have a great one and see you all soon!

Contact Meghan Donnellon Hyden to discuss any questions you have, and let us create or update your estate plan to provide you and your loved ones peace of mind.

Making sure your family is taken care of after you're gone is difficult to think about, but we are here to help walk you through creating, or updating, an estate plan to ensure that your children and family are taken care of when you are gone. Creating a Will or a Trust with provisions for your children, is a very big and important decision. We help people every day create Wills, Trusts, Powers of Attorney, and Healthcare Directives so that their wishes are honored. For you, this means ensuring your children are taken care of, and your money passes to your family, all in a way that makes the most sense for you and your family.

Montgomery Nursery School is a school of long-standing tradition that has been a part of Church of the Saviour and the Montgomery community for over 58 years. With programming for children ages 2.5-5 years old, we strive to educate the whole child by targeting academic skills, social-emotional learning, and in sharing an understanding of God's love for us. Our programming provides children with a play-based curriculum rooted in the Ohio Early Learning Standards with an emphasis on kindergarten readiness. We offer enrichment opportunities for children such as fitness, science, art, music, and yoga!
