Tournament Placing and Awards

There will be 4 Main awards presented, and each player will be eligible for only 1 award. There will be Official Organised Play prizes for the event in addition to Trophies and Prizes provided by Phoenix Games Australia in which every player will receive extended art cards. With the addition of further Sponsors more prizes will be added and announced closer to the date.

Rounds

The first round will be determined randomly with following rounds run as a Swiss tournament. The Final Round will be the top 2 players to determine final standings. Players outside the top 2 will be encouraged to play in the last round for a chance at further prizes.

Grand Admiral

No battle plan survives first contact with the enemy... but this player has used wit and tactics to complete their missions. The player with the most wins and highest ranking of Strength of Schedule will be awarded the rank of Grand Admiral. In the case of a tie the highest Sportsmanship score will be used to determine the sequence of overall rank between players. Awards will also be presented to the second placed player.

Sportsmanship Award

All round nice guy that has also mastered the art of war!

The player with the highest Sportsmanship Score will win this award. In the case of a tie, the sequence of rank between tied players will be determined by Tournament Points as it's often more difficult to maintain a good sportsmanship score if your beating your opponent to a bloody pulp!

This category has been included to encourage players to take part in the competition with the right spirit. Players can receive a maximum of 20 Sportsmanship Points and a minimum of 8. At the end of Sunday matches, you will rank your opponents 4-1 on your score sheet. They will receive the following Sportsmanship Points to their overall score: 4 points for being your 'best' sport, 3 points for being your second best sport, 3rd and 4th will each received 2 points for being your 'least best' sports opponents.

Disagreements in Game

Occasionally opponents disagree in game over a rule and in these case's it's expected that players will be able to come to some agreement. The usual method is to roll a dice over it. However, if you and your opponent are still at loggerheads then take your rule query to the Tournament Organiser and they will make a ruling.

Remember it's only a game.

Tournament Organiser's Call

On the day, the Tournament Organiser may make decisions that could impact you or how your games are run. Whilst every effort will be made to be fair and impartial, unbelievably, even Tournament Organisers can get it wrong.

Their decision, even if it is wrong, is final and no further discussion will be entered into. It's expected that all players will adhere to the ruling made. Feel free to flame on message boards later... but just remember the Tournament Organiser is trying to do the best they can to make this a fun tournament for everyone.

Complaints

If during the competition a player wishes to discuss another player's conduct, please speak to the Tournament Organiser. If a player receives two complaints, they will be spoken too and depending on its merits may receive a penalty in Tournament Points (up to -10 Tournament Points). If the tournament organiser receives three or more complaints about a player (depending on the nature of the complaints), then the organiser may require the player to leave the tournament. If this decision is made, it will be final.
