Volume #1 Published Monthly

From the President's desk, August 2015,

As I sit here writing my last note to you I am reminded of the many things I have learned these last two years as your representative.

First and foremost, this is the finest organization I have had the pleasure of associating with. You folks are just simply the best. Each and every group is passionate about their part, but never lose sight of the organization as a whole. We have not always agreed, and our visions vary, but we all believe in what we are doing, and somehow it all works for the betterment of the club as a whole. As this club has grown, so has its strength.

A byproduct of that strength, is that I have learned just how little the president of this club is needed to make it successful. My first year I stuck my nose in everywhere I could. I wanted learn as much as possible, with the vision of helping out wherever I could. Well...at least I learned a lot about what we do.

My job primarily became one of public relations; chairing meetings, filling out forms for nationals, appointing chairs that already existed, trying to coordinate the un-coordinatable, being the "guy" who signed the authorizations for what the Board told him to, and trying to write cute notes for you here. One of the more enjoyable parts of this job has been interacting with the members, whether calls, email or just passing the time somewhere on the grounds.

For all of this, I thank you.

So on with it.

At this month's open meeting, we will be swearing in the officers and Board members who will drive the club for the next year, please welcome them as you have welcomed me, and we will have another successful year. Their tour will begin on September 1<sup>st</sup>.

**Big event for this month!** Our annual picnic will be Sunday August 30<sup>th</sup>. 2<sup>nd</sup> VP Howard has a full day of activities planned. This will not be one to miss! Look for more info in this newsletter.

**Big event for September!** On Sunday September 13<sup>th</sup>, the Northern Piedmont Retriever Club will be having their monthly training day on the grounds, and they have invited club members and friends with hunting retrievers of all skill levels to join them for the day. The event begins at 8 am, the cost is \$15 per dog, to cover supplies. More information can be found at <http://nprc.tripod.com/>, or by calling Jason Craley at 717-818-9899.

The new By-Laws are being printed. They will be available at the clubhouse during meetings, work days, and any other event where the building is open. Please drop by and get a copy.

It has been a pleasure.

**Juniors:** With school right around the corner we wanted to hold another Juniors Challenge on August 16. The first one was a huge success. If you want to attend please send me an email so I can plan accordingly. We will meet at the ranges at 9:00, we will then move on to archery, then to fishing. Like last time we will have 12 and under, and 13 and older prizes for both boys and girls. Please be sure to bring along archery and fishing equipment if you can. We will provide .22 rifles, ammo, targets, bait, and LUNCH.

**IWLA Family Picnic:** Family Picnic – The family picnic is one of our clubs finest traditions and you, and your family, are invited to attend. You may extend this invitation to extended family as well as friends or neighbors who may be interested in joining our chapter. It will be on Sunday, August 30<sup>th</sup>. Lunch will be at noon with festivities beginning as early as 9:00 and lasting until 4:00 or later. The club will be providing pork, burgers, hot dogs, rolls and drinks. We'll also be having Carman's ice cream as usual. We ask people whose last names begin with A-L to bring a side dish, and those whose last names begin with M-Z to bring a dessert. These may be homemade or purchased, and don't have to be huge. You may also want to bring a lawn chair. This year we would like you to RSVP if you are attending so we can get a more accurate estimate for the meat we will supply. Please email me at [hkbrt@verizon.net](mailto:hkbrt@verizon.net) or leave a message at 717-993-9203 with the number of guests attending. We'll also be taking names at the open meetings.

Beginning at 9:00 and lasting till maybe 11:00 we will be having a rifle shoot on pit 2. Bring your centerfire rifle, a few rounds of ammo, and eye and ear protection. This low stress shoot will be done standing, unsupported and will require one round to be fired at 50 yards. It is a test of skill, luck, and gamesmanship. We will likely have several of these quick and easy shoots.

From 11:00 until 2:00 there will be several quieter activities to complement lunch. We will have a casting contest in the meadow. Bring your own gear or use the club's. We will also get out the clubs 3D animals for you to shoot your bow at. There may even be an informal competition. Again, you may bring your gear or borrow the club's. Field points only. We are also going to have a scavenger hunt for the kids and some other games for all.

We'll be giving away the door prizes at 1:00 so be sure to be there and get your tickets. The prizes are very nice this year, and there will be plenty of them.

At 2:00 we will be opening the trap fields. Bring your shotguns and shells or borrow one of our guns and buy shells at the club.

We will also have bingo in the clubhouse starting at 2:00.

The ranges will be open from 9:00 until 11:00. Closed from 11:00 until 2:00 for lunch so we may eat and talk in peace, and reopened at 2:00.

We have a nice day of activities planned. Now let's hope for nice weather. If it rains any or all of the outdoor activities may be cancelled, and we'll move lunch into the clubhouse. We have activities planned for that contingency too. Please plan on coming out and enjoying the club and fellowship with the other members, their families, and neighbors.

**NRA First Steps Program:** Sunday, September 20<sup>th</sup> at 1:00 NRA First Steps program – An NRA designed course for new handgun owners and people looking at purchasing their first handgun. This 3+ hour course will instruct adults and children on handgun safety, operation, cleaning and shooting fundamentals. Utilizes NRA materials you may keep for future reference. This includes classroom instruction as well as carefully monitored range time where students are given the opportunity to try different handguns and calibers in a safe relaxed setting. The cost of the class is \$60 for York Izaak Walton members and \$75 for non-members and it will be limited to 10 students. To register for this class email Howard at [hkbrt@verizon.net](mailto:hkbrt@verizon.net) or call 717-993-9203.

**PA Fish & Boat Commission:** is selling \$10 Save Our Susquehanna Button. All proceeds will be used to help fix the problems with water quality.

**Road Clean Up:** will be held Sept 12th at 8am. Meet at the club house; refreshments will be available. Please come out and help with this worth-while project. Any questions, call Phil Baker 717/266-5987 or Don Robertson 717/873-4171

**Welcome New Members:** Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
