Band Travel Release

_____ will be providing his/her own transportation either
Student First + Last Name (Print)
to or from the official band event listed below.

As the student and parent/student signing this waiver, I am releasing Plain Local Schools, GlenOak High School, and the Instrumental Music Teachers of any and all responsibility from the times listed below. This release requires a parent/guardian to provide all necessary transportation to and/or from the listed event and take full responsibility for the student during that time. Students arriving to an event late must immediately report to a director with your parent/guardian to check-in. Any student leaving an event early must inform a director in person with your parent/guardian at the time of dismissal. Students will not be released from an event without a director first speaking with the parent/guardian before leaving. This release must be signed by the student, parent/guardian, and a principal.
