Member Commitment

As a member of Kiwanis Club of Anacortes, Inc., I will endeavor to abide by and accept the responsibilities pertaining to my membership. I understand and accept the objectives of Kiwanis International:

- 1. To give primacy to the human and spiritual rather than to the material values of life.
- 2. To encourage the daily living of the Golden Rule in all human relationships.
- 3. To promote the adoption and the application of higher social, business, and professional standards.
- 4. To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- 5. To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- 6. To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

As a new member, you'll become a member of the Committee of Ten, made up of the ten newest members of the Club. There you'll learn more about Kiwanis and the workings of our Club. Committee of Ten meetings are hosted by the Immediate Past President and held monthly. You will "graduate" as the Club continues to add new members. You are encouraged to attend other committee meetings while on the Committee of Ten in order to explore the committees and see which committee fits your interests.

Attending our Club Thursday meeting provides you the opportunity to socialize and learn of the Club's ongoing activities. Members are encouraged to attend when possible. We don't track attendance and there are no "fines" for missing meetings.

Note: If you expect to miss meetings or shop shifts for at least 30 days or up to 6 months due to travel, vacation, illness or business, you should request a Leave of Absence. Forms are available in the Shop Office and should be submitted to either the Club Secretary or the Membership Chair before a Board meeting usually the 3rd Friday of the month.

You must find a shop replacement (or swap) if you must miss your assigned shop duty.

I will do the following:

- 1. Participate in the Committee of Ten meetings and projects, learning about Kiwanis and finding a place where I can contribute to the work of the Club.
- 2. Work at least one 4 hour Shop Shift each month (The Shop Scheduler will help with this)
- 3. Join one of the Club's service committees and help our Club support our community.
