

Supervisory Opening

Residential Lead DSP

We are looking for qualified, experienced and dedicated supervisor to fill this position.

The Lead DSP position includes providing a combination of direct care support as well as supervision of entry-level staff. The position assures high quality training on and implementation of service plans. Prepares schedules, performs a variety of quality checks, administrative duties, and assures agency standards are met. Most importantly, works exhaustively for the best comprehensive care and quality of life for the people we serve.

Supervisory Qualifications: A combination of post-secondary education and related experience which totals at least three years. Supervisory experience is preferred. A valid driver's license is required. Must be available for a variety of shifts including a combination of weekday, weekend, and evening hours.

MYEP is proud to be a progressive employer that treats its employees well and offers a positive and flexible work environment. We provide competitive pay and a great benefit package. Benefits include: health/dental insurance, a 5% 401(k) match, generous paid time off, life insurance and other voluntary options.
