College: Virginia Tech

Major: Biology

Academic and Extracurricular Highlights:

- 4.17 High School GPA
- Northern Virginia Therapeutic Riding Program - Volunteer
- R.E.A.C.H. Coordinator

Quotes:

“The patience and sensitivity Catherine demonstrates through all her activities, both inside and outside of school, truly captures who she is as a person.” **Kimberly Bruno** - School Counselor

“Thank you all for everything you have done not only for me but for so many other students struggling to achieve their own goals. Scholarship Donors and the Anchor Scholarship Foundation have done so much good among the Surface Navy families. I absolutely admire their work and hope that one day I will be able to give back as well – to give back to the foundation that gave me my start and encourage another generation of personal growth and development.” **Catherine**
