And Now.....

THE NEWS

Apparently our club has been on the national or at least regional news. I heard from a lady in Albuquerque, New Mexico, and a gentleman in Vermont both of whom had seen Channel 9's feature about our club. With Paul Davies' help we have reached out to them. I also answered 3 others, two locally and one from Loma County. Details at the meeting—so don't miss it.

Song for March's second meeting is, oops, I thought I had written it down. Oh, well, play something one of your children would enjoy hearing you play. For April something by either the McGuire Sisters or the Andrews Sisters.

SPAH registration is OPEN! Get those reservations in now to get your room. Suppose I have to plan now as we will be staying in Lawrence, KS, going and coming, with Lynn's kids. Shorts weather is just around the corner! YEAH!

See you on the 10th and 24th.
