

PERMISSION TO DRIVE DURING SCHOOL HOURS
2021-2022

Please be advised that according to the *Spartan Standards*, "Those students who drive a vehicle to and from school are required to complete and return a vehicle registration form, which may be obtained at the office. No student is to drive any powered vehicle during school hours unless written authorization has been received from the principal. There is to be no sitting in cars during school hours. Students reported to be driving during unauthorized times or without proper authorization from the office will have their driving privileges revoked for 2 weeks. Repeated violations will result in driving privileges being revoked and possible suspension of the student. Honor Study Hall students who have a study hall at the beginning or end of the school day and seniors granted senior privileges during the last grading period who have a study hall at the beginning or end of the school day may drive to school or home during school hours. However, no students are to drive around town during school hours."

In light of these standards, I will grant written permission for students to drive home only during the lunch break providing parents grant their permission to do so. In the event a student has been granted privileges to drive home during lunch and that student has an honor study hall immediately prior to or immediately following lunch, permission to drive home for lunch will be extended to cover those periods. I will also grant written permission for students to drive to their work experience assignments providing parents grant their permission. Students may not have passengers with them unless that passenger is a sibling and parents have also granted permission to the sibling to ride as a passenger.

Other requests for permission to drive will be considered on an individual basis and in light of unusual circumstances that may warrant driving.

Driving privileges may be suspended or revoked by the administration for any reckless or dangerous driving.

If you wish your son/daughter to drive home only during the lunch break, please sign and return this form to Mrs. Buer. Unless parents grant permission to drive during this time, written authorization to drive during the lunch break will not be granted.

I give permission for _____ to drive home only during the lunch break for the school year 2021-2022 (If you wish a sibling to ride as a passenger, please indicate below)
