HAUNTED OBJECTS

(with Tim Weisberg)

Monday, October 29th

6:30 pm

From a butter dish on a kitchen counter to the car that killed James Dean, Haunted Objects will be a presentation about some of the most famous and infamous cases of inanimate objects being possessed by a spirit. In addition to hearing spooky stories that will send a shiver down their backs, attendees are invited to bring in items they believe are haunted or cursed and share their own experiences. Tim will have investigative equipment on-hand to see if there are any anomalous readings in relation to the object.

Tim Weisberg is the host and executive producer of "Spooky Southcoast," one of the world's most popular paranormal talk radio shows. He is also the author of Ghosts of the SouthCoast and Haunted Objects: Stories of Ghosts on Your Shelf.
