Guidance Department Updates

Counselors are currently identifying students who made need to enroll in summer school. They will be speaking with those students and parents about registration.

Students will receive a course request verification form in June. The form will confirm their courses prior to receiving their tentative schedule(maybe over the summer). As a result, students will have an early opportunity to discuss (modify if needed) their courses. These meetings will only take place during the lunch periods

Volunteers needed during the summer. Please contact the school if you are interested.
