

**FIRST TIME EVER - - -
COUNCIL'S GOLF OUTING A
WASH OUT!!!**

As the song says, "Rain, rain go away, come again another day"... BUT, it didn't and for the first time ever, Council's annual Golf Outing on 16 May at the Hollows, was a wash out.

After the barbeque lunch and the raffling of assorted prizes, 100 plus golfers were off to a good start! But, before many golfers could hit their first drive, they dashed for cover under nearby trees, as the sky opened up with a downpour so severe that the course was closed for the rest of the day.

Thankfully, our 'Rain Date' of 20 June turned out to be a much better weather day for our 92 golfers. In spite of the "rocky" start, Council's 30th Golf Outing turned out to be a very successful fundraiser. 🍷

Having eight foursomes is a wonderful demonstration of the strong support that Council customarily receives from NRD (Navy Recruiting District Richmond)
