Dear Parishioners,

This weekend we are celebrating Fr. Chris Bohnsack and his vocation to the priesthood. Fr. Chris celebrated his tenth year ordination anniversary on May 30th. Even though Fr. Chris has served as our Spiritual Leader for a relatively short period of time during his priesthood, we are grateful for his vocation and his time at our Sacred Heart community.

I invite you to ask Fr. Chris how he knew that God was calling him to the vocation of priesthood. As you know, committing your life to Christ is rewarding and can be challenging. The journey of becoming ordained is a spiritual, joyous, prayerful, stressful and overall life changing commitment to God.

Each priest hears his calling at different personal levels. They listened and looked carefully to God, over a period of time, patiently, until a pattern formed, and things became clearer. They prayed for help and guidance, but God guided them in these ordinary ways.

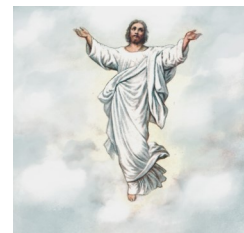

I invite any of our younger men to ask themselves if they are being called to Holy Orders. If your signs are growing stronger and coming together, then you should take the next step - talk to someone you trust; talk to our parish priest; talk to the Vocations Director of the Diocese. Father Philip Smith, is the director of the Office of Priestly Vocations, psmith@toledodiocese.org.

At the end of the day, you can trust the Church to help you discern. The Church is looking for those who are being called by God to this extraordinary vocation and this needs to be discerned by both the candidate and by the Church.

Thank you to all the priests that have served at our Sacred Heart Community! Each one of them led us closer to God in their own way. Their call to holiness and leadership have not gone unnoticed.

God bless,

Lisa Myers, Principal
