It is now **MANDATORY** to wear a face covering in church. Please Gel your hands on entering the building and again before receiving Communion.

**Refreshments after Worship.**

Please wear your face covering at **ALL** times in the church and Millennium Room except when drinking.

The Millennium room is a much smaller space than the church and therefore face coverings are essential. If this is not possible refreshments may have to be stopped once more This would be such a shame.

The rules regarding social distancing have not changed but I do urge you to think carefully about where you sit, and to respect other people if they wish to sit at a distance, by asking if it okay for you to sit near them.

### Prayer Group

A Prayer Group led by Rev. Mandy will be held every **Tuesday** in Church at **10.00am All welcome**

**Thank you** all for your continued giving which has been vital in keeping our church 'going' during the pandemic, allowing the parish to come together in worship and praise thankful that we have been able to make ministry available to every person living in the village during these difficult times,
