

GIBRALTAR MUSIC BUSINESS PARTNERSHIP

Welcome to the **Gibraltar Music Business Partnership!** Our partnership program is designed to offer your business the opportunity to demonstrate love and support for youth music education. Our beloved music programs challenge students to achieve the highest levels of musical

excellence through clinics, competitive band festivals, as well as numerous school and community performances. **Marauder Pride especially shines when on the road!** Hundreds of Marching Marauders have performed in the America's Thanksgiving Day Parade on national television, at Cedar Point, in Chicago, Toronto, and even in New York City where the Marching Marauders performed on the deck of the USS Intrepid aircraft carrier.

In February 2020, our band and choral students will be traveling to **Walt Disney World** in Orlando Florida for a once-in-a-lifetime educational and music experience! This is our program's first trip to Disney, as well as our farthest trip to date. ***To help defray costs for ALL students, we are dedicating ALL 2019 Business Partnership money to our Disney trip exclusively.*** All money raised will be distributed equally among band and choir student travel accounts.

Please consider becoming a Gibraltar Music Business Partner by reviewing the Donation Levels on the back of this page. In recognition of your generous support, we offer a variety of opportunities to share our sincerest appreciation everywhere we go! **In lieu of monetary donations, we will also happily apply category recognitions for any prizes donated to our Marching Marauder Mega Raffle held at our home band competition "Spectacular-Spectacular" on September 28th, 2019.** With hundreds of students participating in 2019-2020 Gibraltar Music programs, we look forward to amplifying our show of gratitude throughout the year! Please let us know if you have any questions.

We appreciate your time and look forward to partnering with you!

Sincerely,

GIBRALTAR MUSIC BOOSTERS
