DELUXE —

SPINE MATCHED ONLY

Arrows at a moderate price. Port Orford Cedar shafts are matched for spine. Colorful shafts with contrasting crests.

CUSTOM MATCHED . . .

Shafts are doweled from split stock Oregon Port Orford Cedar, properly seasoned and matched in spine and weight. Fleetwood Arrows are spined on a Micrometer spine tester and weighed on an electric scale capable of holding tolerances of 1/2 grain or 1/1000 of an ounce. Fletched with accurately spiraled feathers.

STOCK A COMPLETE ARROW DEPARTMENT

- FLEET-GLAS Target, Field, Hunting and Fish Arrows
- FLEET-EASTON Aluminum Target-Hunting Arrows
- SPECIAL ARROWS FluFlu, Golf, Flight, Cross-Bow, Fish

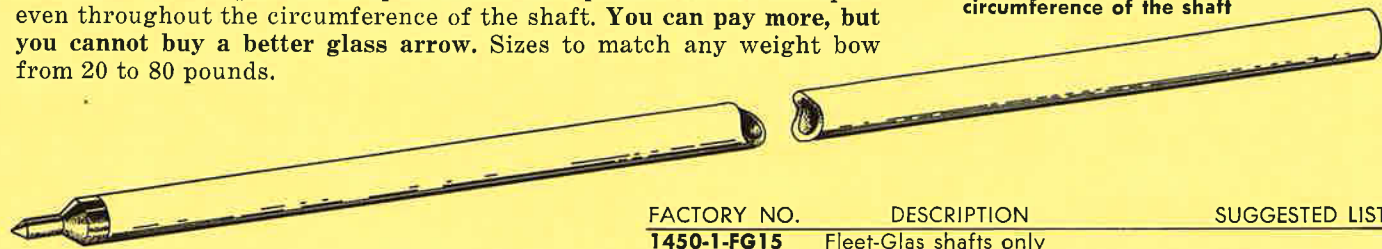

FLEET-GLAS ARROW SHAFTS

Complete with Points

FLEET-GLAS — The finest fibre-glas arrow shafts made. Our tubular fibre-glas shafts are manufactured in our own factory of the best materials available. Every machine operates automatically, making each shaft micrometer perfect. A special exclusive process makes the spine even throughout the circumference of the shaft. **You can pay more, but you cannot buy a better glass arrow.** Sizes to match any weight bow from 20 to 80 pounds.

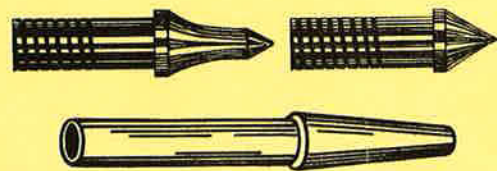

- Made in 8 different sizes to match all Bow Weights
- Aluminum Nock insert factory installed
- Uniformity of spine throughout the circumference of the shaft

- 1083-9-397 Fleet-Glas Flu-Flu..... Each **\$2.00**

NOTE: Be sure to state your draw length and bow weight.

A—GOLF APPROACH ARROW

FLEET-GLAS approach arrows are fitted with a 2½" needle-like approach point which is absolutely non-skid. Fletched with 4½" spiral machine fletching, neatly crested. State bow weight and draw length.

- 1085-9-333..... Each **\$2.50**

B—FLIGHT ARROWS

Made of especially selected high spine light weight Port Orford Cedar shafts, barreled from 5/16" in the mid-section to .22 in front and ¼" or smaller at the nock. Fitted with special flight points and replaceable nocks. May be had with either small parallel feather fletching or celluloid veins. All lengths.

- 1087-9-365 With Celluloid Vanes..... Each **\$1.50**
- 1087-9-367 With Feathers..... Each **\$1.50**

C—ARCHERY GOLF ARROW SET

The Archery Golf Arrow Set consists of one flight arrow fletched with very small feathers, one approach arrow with a special approach point to prevent skidding and one blunt putter arrow. Made of select Port Orford Cedar. These arrows are designed to take a maximum of abuse. The approach arrow and blunt are painted full length of the shaft and neatly crested. All lengths.

- 1084-390 Set of three arrows..... Set **\$4.95**

CROSSBOW ARROWS — Port Orford Cedar

- 1017-9 Field Arrows..... Each **\$.75**
 - 1018-9 Hunting Arrows..... Each **\$1.00**
- 2 or 3 Blade available. Packed in one dozen units.

FLEET-EASTON ALUMINUM ARROWS

Made of Easton 24SRT-X® or Easton XX75® aluminum shafting. By far the best material ever made for the manufacture of precision arrows, produced solely for arrow shafts — solely to improve your shooting. Consistent identical uniformity in spine, weight and balance . . . perpetually maintained. This identical uniformity results in extreme accuracy.

24SRT-X® ALUMINUM ARROWS

No.	Description	Cut or Full Length With Points Included
1241-1-300	3 Fletch Target.....	Dozen* \$29.50

FLEETWOOD GUARANTEE

All equipment shown in this catalog is guaranteed not to be defective in either workmanship or materials. Should any product be found defective in workmanship or materials contact Amundson Products Company. If found defective we will either replace or make proper adjustment.

Every Fleetwood bow is numbered and accompanied by a registration card which must be filled out and mailed by the purchaser within ten days after date of purchase. Should failure occur in a bow so registered within a period of two months after date of purchase, Amundson Products Company will make free repair or replacement unless the bow shows evidence of misuse or improper handling. Claimant must be the original owner and the bow serial number must be intact. After this sixty-day period and provided the bow has not been abused or mishandled, replacement will be made on an exchange basis whereby the owner will pay for the use he has had from the bow at the rate of 10% per month based on the purchase price. Dealers are not authorized to make replacement or adjustments.

Amundson Products Company, manufacturers of FLEETWOOD ARCHERY, was founded in 1933 by A. R. Amundson to manufacture and merchandise a quality line of hardware, tapes and sporting goods products.

In 1960 an Archery Company was acquired and in 1963 the complete operation of FLEETWOOD ARCHERY COMPANY

was purchased and moved to Superior. The Company is now operated by two sons of the founder, F. V. Amundson, Secretary-Treasurer and Production Manager (standing, right) and R. L. Amundson, Vice President in charge of sales (standing, left).

A. R. Amundson, Founder and President, is shown seated. Both "Whitey" and "Bill" have been actively engaged in the Company management for over 25 years and are dedicated to continue the sound business practices that have brought the company to its present position.

Two modern factories of 20,000 square feet in Superior, Wisconsin, are now in operation producing and distributing the quality line of Fleetwood Archery Equipment.
