Client Statement for Files Regarding Stimulus Check

In 2020 most taxpayers received a Federal "Stimulus Check" or "Economic Impact Payment" from the Federal government for the 2020 tax year. As your tax preparer we are required to reconcile your payment to determine if you are owed any additional payment, but it is difficult for us to determine any amount you may have received.

You should have received Notice 1444 showing the amount of the check, but many people have misplaced this letter, so we are asking you to provide us with the amount below. Thank You

___ I received and have attached a copy of Form 1444

___ I do not have a copy of Form 1444, but I did receive a stimulus check in the amount of $ ______________

___ I did not receive a stimulus check
