

HEARING SCREENINGS

Do you often ask people to repeat themselves? Has your spouse or other family member told you how you speak loudly or asked you to lower the TV volume? If so, you might be experiencing hearing loss. It is possible that it could be earwax

buildup or a minor condition, but a long-term untreated hearing loss can lead to serious problems later in life. Learn what causes hearing loss and how it affects your health and relationships at the **Acute Hearing Screenings** on **Thursday, Sept. 13, from 10:00 AM to 1:00 PM**, and during our Wellness Fair on **Friday, Sept. 28, from 9:00 AM to 1:00 PM**. An Acute Hearing expert will assess your hearing health. The screening is free. **Register at our Welcome Center or call 513.423.1734.**

3907 Central Ave, Middletown, OH 45044 / 513.423.1734
