

Party On!

Political Party Project:

Research the following about the political party you have been assigned. Be prepared to present your project to the class using technology as a resource in your presentation:

- **History/Background (Discuss the beginnings and growth of your political party)**
- **Philosophy (Discuss the purpose of your political party. What is it's overall goal? Who does it serve?)**
- **Platform (Briefly describe the steps your political party is planning to take to reach it's ultimate goal)**
- **Position on at least 3 issues/planks (Select 3 specific issues and provide a detailed explanation of your political party's position on those issues)**
- **Biography of at least one representative of your political party (Who is this person? What does he/she want to accomplish? What is his/her qualifications to represent your political party?)**
- **Email political party with a request for information (Provide a copy to me before you send it)**
 - **Introduction, Describe project, Request information (about issues, information), Questions: Why should we consider joining your political party?**
