Dear RPM Racing Products,

On behalf of the Alberta Oldtimer Motocross Association (AOTMX), I wish to sincerely thank you for your generous support for our 2016 Race Season.

As a non-profit organization, your donations helped support our club, the Ken Stephenson Race to Recovery and our second annual David Charlton Memorial Cup. As well as our annual IOTMX International Race at Antler Lake which brings in riders from across Western Canada as well as the Northern USA.

It is through your generous contribution that we are able to put on a sustainable motocross series and charity events that are able to cater to riders and spectators alike. Sponsorship is a vital part of the sport of motocross and without the support from companies like RPM Racing Products, our club would not be what it is today.

Once again, on behalf of the AOTMX family, I would like to thank you for your amazing generosity and support!

Sincerely,

Angela Martyshuk

President
