

Ihanktonwan Community College

Coronavirus Notice

The following notice is in preparation and anticipation of the college needing to close for an indefinite period of time. All recommendations and information provided by the CDC, YST, IHS, other local and state health agencies will be integrated.

It is our intent to prevent and/or contain the spread of any outbreaks at this point.

Immediate Plan March 16-27

The following steps will begin on Monday, March 16, 2020.

1. The college will be closed the week of March 16-20. No classes will be held at the college during this period.
2. The college will be closed the following week March 23-27, for spring break.
3. We anticipate continuing classes again following this time, but that is dependent on any outbreaks in the community and/or other decisions to stay closed.
4. Instructors and students will be given instructions next week regarding how we will manage course work during this period. They are asked to check their Orbund accounts for information and updates.

We ask everyone to become aware of the seriousness of the issue and follow the recommendations provided for it. It is for our families, relatives, friends and neighbors.
