# Summer Reading

This summer has just flown by.

We had so much fun with the kids this summer! We went on great big adventures right here at the library. The imagination of these kids was amazing to witness. We watched new friendships bond together as well as watched excitement grow each week for our classes and activities. This year, we added a Bluey Party for a Friday Fun Day event, and it was so much bigger than we could have imagined! Everyone had so much fun playing Keepy Uppy and meeting Bluey herself!

We celebrated Harry Potter's birthday again this year (because of course we have to, it's a literary masterpiece)!

We also had Oglebay Good Zoo visit the library to end out the summer again this year. As always, they were so wonderful and the kids absolutely LOVED the animals!

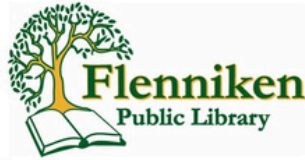

It's so sad to say it's over, but we had so much fun and couldn't have asked for a better time, and better weather!

Thank you to everyone who joined us this year: you made it another wonderful summer here at the library.
