

My Father's Promise

My Father's Promise is a part of GloryReelz dedicated solely to young people who aren't ashamed to share with others how God continues to bless them each day. While MFP is part of a competition it will also serve as motivation for youth groups to keep digging for the deep things of God.

My Father's Promise Teams should have a leader (typically the director) and each person should be involved in the filmmaking process. After selecting a scripture, the goal is to show how God's promise encourages or serves as a call to action for us. Be creative, strive for excellence and be sure the video is in line with your selected scripture. Please visit www.filmfreeway.com/grcff to submit film. Don't forget to submit contact information and cover for film.

1. Gather your teammates, determine who will do what on the team.
2. Select scripture. that has been agreed upon.
3. Pray about the vision for your project.
4. Must be at least 5 minutes and no longer than 10 minutes in length.
5. Create/develop script.
6. Select Cast and begin filming.
7. When you have finished post production log onto film freeway and submit the film!

The Father's Promises are ever true, never failing and because we know how wonderful He is and that He can all things - we want you to share with others just how good He is and how His mercy endures forever. The projects you create should inspire others in their daily walk or have a message that causes them to transform. Thank you for taking the time to share your wisdom, hearts and talents. To God be all the glory forever! Amen!
