Message from the President

Dzien dobry (Good day):

Spring is almost gone and in a few weeks it will be summer. The bartenders are doing a great job. Please be respectful to everyone while in the club. We would appreciate that members and their guest use proper language while in the club. We have had a few complaints concerning loud and foul language. What helps our club have functions and returning members is a good atmosphere. Please be respectful of others while inside and around our building as continued use of loud and foul language will affect our ability to rent our hall and could lead to your suspension or dismissal of your membership. Also, several States including Connecticut consider vaping that same as cigarette smoking. Their laws prohibit smoking and the use of e-cigarettes in indoor areas of private worksites, restaurants, and bars. Please do not vape inside our building.

I hope everyone enjoys the improvements we made this spring in the bar, kitchen and ladies' rooms. We have other projects that we will be working on during this summer including the back of the parking lot between the dealership and us, and the exterior hall entrance. We will be asking for volunteers when these get into full swing.

Today, we are all affected by inflation and the club is no different. We have been absorbing the price increases of our liquor and utilities. The BOD has spent the past few months reviewing our financials and discussing how we can save money while maintaining our ability to make a profit (which goes into improvements for our facility) without raising our prices. Our last price increase was on June 4, 2017. Unfortunately, will be raising our drink prices effective when we re-open after the July 4th holiday. Please do not treat our bartenders poorly because of this change. If you have any questions, please discuss this with myself or a member of the board.

This year's golf tournament will be on Saturday, September 10 at the Windham Country Club. It is always a goodtime and we hope to see everyone there. The deadline for golfers who have played in the past to sign up is July 1 (this is for full foursomes only). Starting July 2nd, the waiting list groups will be able to sign up for the event. Please **Do Not** miss the deadline as we do have limited space on the golf course. Volunteers are needed to make this event a success. Please let us know if you would like to golf (single or foursome) or volunteer.

I want to congratulate all our new members. We look forward to seeing you at the club. Each month the club has several events that come up and, we would like to see your new faces helping with these functions. Please remember that any new members, during your probationary period, you are required to help with 3 functions.

Have a great summer,

President, Frank Zeleznicky

We have been working with the American Red Cross to do blood drives in the hall monthly. If you are a donor and have the app, you can join our team St. Joes Polish Club Falcons. If you do not have the app, you can download it and do everything for scheduling your appointment to seeing your donation history. First time donors always welcome. You can schedule your appointment at RedCrossBlood.org and enter SJPS to donate at the club.

Please help us update our files and complete the information below even if you think we have the right info on file. Mail or drop it off to the club. Please print legibly. Thank you, Melissa
