

Butchers, Meat Dealers

<http://www.pomeroyofportsmouth.uk/portsmouth-local-history.html>

Note:

Butchers such as J.H Dewhurst (Closed 2006), Eastmans, W & R Fletcher, Saunders, Stevens were national chains that were part of the Vestey Family business and are not included at present except where they form part of the chain of occupiers. Details of meat importers however have been retained.

Note we also have local Stevens.

Addresses are not necessarily shops, some are the private residence.

Where the butchers shop changes hands it is not necessarily a continuation of the business, some are just moves to a bigger/smaller shop.
