Rodney and Steve begin the new porch foundation

On-going Church Restoration

Rodney Ivie and Steve Winchel have made good progress on the new porch foundation. Thanks go out to Kathy Gann who donated many of the concrete blocks, though we still need more. The church interior looks much cleaner thanks to team effort and a lot of shoveling and sweeping, coordinated by Terry Nester. (More photos in Part 2)

We still need building material donations. Next Pioneer Day meeting is at 5:30 PM, April 23rd at Rose Bar School in Smartsville.

Pioneer Day, 2013!

One of the fun activities coming April 27th

SCRFI is currently planning its 6th Pioneer Day for the little gold rush town of Smartsville. Though our mission is to restore the old Catholic church building, its purpose is for community usage. Pioneer Day is our biggest community celebration and if you haven't been there, please come and join us. You can view the inside of the old church as it's being restored. Children's events include singing on stage, a gold nugget hunt, a water brigade contest, and an art contest. Everyone loves the mining and Timbuctoo tours, the good food, and the vendors and display booths. The stage is scheduled for all-day-long entertainment with music and historic character presentations. There's just nothing else like this small town festival!
