It's a town who's appeal draws from its history, its people, its sense of community and its natural and architectural beauty. You may have noticed a piece of litter or stray weed on your walks through town. So have we. Being more than two centuries old, the burg needs a little extra help to stay as charming as ever. To keep residents and visitors alike smiling as they walk our streets, the Streetscape and Go Green Committees are hosting "The Great Middleburg Clean Up and Scavenger Hunt" on Saturday, August 19th set to begin at 8 AM at the Community Center in Middleburg. Finishing back at the Community Center at 10 am, there will be prizes for the winning team of the scavenger hunt and for the team with the most amount of recyclable trash collected, followed by refreshments, food, and fun.
