

What's Going On at Your Sonic Drive-In?

“Accent On Education”

For Hebron Academy in 2017-18

High Schools

My name is Billy Wright and I am with Sonic Drive-In restaurant in Dacula, GA.. We are making an effort to become more involved in our local community that has been so generous in their support of our restaurant and our local schools are the foundation of our community. Listed below are a few ideas for school support and fund raising options that can assist your school.

Paper Supplies and Misc. Donations: With advance notice we can provide the following paper products for school events and functions as supplies permit. We would need to know in advance to place orders. Orders placed by 8am on Mondays and Thursdays will arrive at the restaurant the following day. **Examples:** Sonic Cups, Napkins, Straws, Cup Holders, Bags and Food Trays, Crushed Ice.

Sonic Car Wash Fundraisers: We will provide a visible, public location, signage and water resources for your school athletic teams, cheerleaders, school bands or any other school organization. You will need to provide crew members for the car wash, wash supplies and hoses, street advertising and signage. All revenue from wash and donations will go to the school and we will provide Sonic coupons for all of your carwash customers.

Sonic Guest Car Hop: We would like to have a day for your individual school, designated “**Hebron Sonic Carhop for Tips fundraiser**”, where we set a certain predetermined day or night that one of the organizations at your school (cheerleaders, football team, teachers, etc.) will carhop (waiter) and deliver orders to the cars for tips that will go to the organization or school. We would only ask that your school inform the students, families, faculty and staff of the event to insure that “**Car Hop for Tips**” will be a successful one.

Sonic Community Discount Cards: We will donate these discount cards to your school (at no charge) that your students can sell as a fundraiser. These cards are the size of a credit card and have 10 separate discounts on the reverse side and are normally sold for \$5 each with all funds received going to the school. Sonic will honor the coupons when your customers use them.

Sporting Events: We have experienced excellent results at sporting events during half time with school fundraisers. We can supply “**Sonic Food For a Year**” coupons for people that make a donation to the school that qualifies them to participate to win these coupons. Examples are: Football-Kicking a field goal, Basketball-Making a half court shot, Soccer-Kicking a goal from mid field, or many other competitions. We also have Sonic mascots that can appear during sporting events with our crew members to distribute discount coupons to spectators.

Coupons and Discount Donations: Examples: Buy one Get one Free Menu Item coupons, Free Ice Cream coupons, Donations of Community Discount Cards that can be resold for a school fundraiser, Food items for special pre-arranged events or meetings, and Sonic Mints. Sonic Certificates are available for students Birthdays, Perfect Attendance, Teacher Appreciation, etc., with a 2 week notice for us to order desired certificates.

Limeades for Learning: SONIC and DonorsChoose.org are partnering again to help local school teachers inspire their students to learn. SONIC has donated millions in supplies and learning materials to public school teachers and their students across the country. Teachers, register your projects on DonorsChoose.org to ensure your project is reviewed in time to be posted when voting begins. You can even upload your project now for individual donations before voting begins. During September, anyone can come to the website and vote for their favorite teacher's classroom project. Do you need an idea of what type of project is eligible for funding? Click [here](#) to find out more specifics on how you can be successful. For everyone else, it's even easier to participate in Limeades for LearningSM this year. Come to the [website](#) in September and vote for the public school teacher's project you want SONIC to fund. There is no purchase necessary; all you need is a valid email address to vote. Check back in every day and vote throughout September.

All food and coupons will be issued according to store supply and availability at the time of request. Please let us know if you have any other suggestions. We are open to any suggestions that might help Sonic Drive-Ins better partner with your school. We thank you for your interest and support of our Drive-In, and look forward to meeting with you soon. Give me a call or email anytime.

Take a look at how we have been participating in our communities: <https://www.flickr.com/photos/billywright/sets>

We Want To Partner with Your School!

Thanks again,

Billy Wright
