

Kremmling Preschool Newsletter

September 15, 2021

NEW THEME - Our new themes this month are "My Friends and Me" & "Forest Adventure". The kids will be learning about friendships and sharing about themselves as well as all types of animals in the forest. They will be working on the letters Aa, Bb, Cc, red, circle and the numbers 1, 2, 3.

PICTURE DAY - Picture day was a huge success! You don't have to wait to see your child's picture, you can now order ONLINE! Please check your child's red folder for an order form. They now offer free gifts and shipping if order is received by September 21st.

SHOW-N-TELL - Beginning next week, your preschooler may bring something special from home for **Show-N-Tell**. Please see the back of this newsletter for the day of the week your child has been assigned. Please encourage your child to bring something that is special to them!

DROP OFF/PICK UP - Now is about the time we start to see tears at drop off for some of our preschoolers. This is a normal thing that may happen and we want to encourage you to stay strong and know that we are here to help you. With that being said, we would like to encourage you to have a "drop-off routine" that you do with your child to help with this transition. An example of this may look like... walking into the preschool, coming into the cubby area where you help them get their backpack put away, inside shoes on, two kisses, one on left cheek, one on right cheek, big hug, walking them into classroom, saying goodbye and then departing. Establishing a routine for drop off will allow your child to receive instruction from their teachers and gain confidence in their ability to function separate from their parents. This is a vital step in them learning how to do for themselves and will help us in our goal to give them the confidence they need to do harder tasks as the year progresses!

Please note the following drop off and pick up times:

Afternoon class	Dropoff: 12:13p-12:23p	Pickup: 3:35p-3:45p, curbside
